

Find Your Path

Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Barrier Islands Sanctuary Trail Sunrise - Sunset Daily FREE

The Barrier Islands Sanctuary offers a one-mile natural surface "dune to lagoon" loop trail perfect for an exploration of barrier island habitat. The trail is alive with wildlife, so keep your eyes on the ground for tracks. Before or after your walk, visit the Barrier Islands Center, which offers interactive exhibits, ocean view boardwalk, gift shop, picnic tables and restrooms. Hands-on educational programs and activities are perfect for the young ones. Sea turtle programs are especially popular!

Free parking at the Barrier Islands Center, which also offers free admission. The Center is open Tues-Sun from 9am—5pm. Service animals only for the trail and Center.
