

# Find Your Path

Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

## Bicycling South Tropical Trail Oars & Paddles Park Daily – FREE

South Tropical Trail is a two-lane road in a residential area with low speed limits (25-30 mph). The road provides great views of the Indian River Lagoon. Riders can start at Oars and Paddles Park in Indian Harbour Beach and ride west to south Merritt Island. Group rides often start here or other nearby parking areas. Visit local bike shops for information.

Most drivers are accustomed to slowing for cyclists, walkers and runners. Speed humps serve as reminders. Caution is advised for certain areas and situations such as the center span surface of Mathers Bridge, puddles from runoff, metal grates and large trucks. Cyclists cover the gamut of ages, experience and fitness levels. On weekends, you have a good chance of finding someone who welcomes your company and who rides at your pace. Free parking. Please pick up after pets.
