Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Bikercade Cherie Down Park February 13, 10am–11am FREE

The Bikercade is a free guided, group bike ride from Cherie Down Park to the Cape Canaveral Library. It celebrates the motorcade ride in 1925 that showed the area now known as Cape Canaveral to potential investors. At the library, view a showcase of the progression of mobility from the past, present and future. The Central Brevard Art Show will be taking place at the library for an added bonus!

The route will be on a pathways mostly out of traffic on Ridgewood Avenue south to Polk Avenue and west to the library. You may also drop off bicycles and participants at the Cherie Down Park for a shorter ride. Walkers, skateboarders and strollers welcome! Free parking.
