

Find Your Path

Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Chain of Lakes Park 7am - Dusk Daily FREE

Located near Eastern Florida State College and the Indian River Lagoon, this 92-acre regional park features wetlands and lakes with bridges connected to 3 miles of paved trails. Perfect for all ages and abilities, the path offers scenic views, level surfaces, and abundant wildlife. Shorten the route by taking one of the bridges back to the parking lot (may include natural surface). Up the challenge factor by climbing the 5-story observation tower, which gives a commanding view of the entire area, including the Lagoon and Kennedy Space Center.

The park also offers playgrounds, picnic pavilions, water fountains, and restrooms. Free parking. No swimming in the lakes and ponds. Service animals only.
