Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Discovery Along the Trails Sams House at Pine Island February 6 & 27 10am-12pm FREE

Join us for a guided hike along the Garnet Trail leading to the restored Saltmarsh overlook at Pine Island Conservation Area. We'll walk along the Indian River Lagoon following trails with historic use by the Sams Family. Animal activity is observed and the Saltmarsh is home to many species, including migratory birds. We'll talk about ethnobotany, as we can derive human use of several plant species.

Wear close toed shoes and weather appropriate clothing. Bring water, sunscreen and insect repellent as required. Uneven surfaces.

Education Center open Tues-Sun 9am-5pm.
