Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Freedom 5K Moore Cultural Center February 20 from 4pm-8pm Spectators FREE

The Freedom 5K will honor Harry T & Harriette V Moore's work in race equality. The Moore Cultural Center sits on the Moore's home site where a bomb exploded on Christmas night in 1951, resulting in their death. After the race, join us for a celebration of Florida African American history with an award ceremony, live music from the Winston Scott Cosmic Band Ensemble, food, vendors, essay readings by local students and more.

Spectators free. Participant fee varies - visit the registration website for information. Parking free but limited; carpooling recommended. Race will be on paved roads. Additional walking trail available.
