

Find Your Path

Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Lake Washington Bike Pathway Daily – FREE

The Lake Washington Bike Pathway is located along three different roadways: Lake Washington Road, Croton Road and Parkway Drive. The eastern terminus is Wickham Park, while the western terminus is at Lake Washington Park. The pathways can start at either park and traverses both suburban and rural areas. A multi-use trail is located along part of the route, making it suitable for walking and running. A variety of recreational opportunities are offered at both parks.

Public restrooms available at both parks. Free parking. This pathway crosses three busy roads. Pathway can be shortened by turning around at any point.
