Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Pioneer Day Sams House at Pine Island February 13 10am-4pm Free Admission

Celebrate the historic origins of the Courtenay community at Sams House! House and cabin tours feature exhibits and items like clothing, household items, books, and tools. We'll have vendors, exhibitors, children's games, food and music replicating days of old and a way of life gone by. Come out and learn about the oldest standing structure in Brevard County, the Sams House Cabin, built in 1875 and enjoy a day of Pioneer activities!

\$1 suggested donation for parking; shuttle service is available from St. Luke's Church.

Proceeds go to the Pine Island Preservation Society to assist with the Sams House education programs provided by the EEL Program. Sams House open Tues - Sun 9am - 5pm. Many programs and activities throughout the year.
