Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Turkey Creek Kayaking Palm Bay Kayaks, LLC Daily all Month

Turkey Creek Sanctuary is one of the local gems of the Space Coast. It meanders through stunning ecosystems for more than four miles. Various tours offer something for everyone - no experience necessary. We give lessons before we launch and are with you the entire time. A kayaking eco-tour is a wonderful way to experience the wildlife and scenic beauty of Turkey Creek!

We offer tours every day for various lengths, interests and difficulty. We also conduct specialty tours, rent equipment for self-led adventures, and have several launch locations. Cost varies. Free parking. Pet friendly but must be communicated ahead of time; leashes/harnesses required. Dry bags and cold water provided; guests welcome to bring additional drinks or snacks.
