

Find Your Path

Space Coast TPO is developing an interactive guide to Brevard's non-motorized routes called **The Pathways Project**. We're kicking it off by highlighting pathways and events in February.

Who Goes There? Scats & Tracks Sams House at Pine Island February 20; 11am–12pm FREE

This family adventure will engage you in a discovery of animal evidence. Using tools and a sand pit, we will replicate an overnight scene of animal activities. We will interpret the signs and come up with an analysis to share. Plaster casting will be used to preserve evidence and a Scat Matching game will strengthen our skills. We'll wrap up with a hike on our Lagoon Trail to use the observation skills we have strengthened to discover what may have taken place on the trail overnight.

Recommend closed toed shoes and appropriate clothing for the weather and for working with plaster and sand. Free parking.

**Wilderness & Historic
Homestead**

1/4 Mile Roundtrip
