# WICKHAM ROAD

OPERATIONAL ANALYSIS

## Q. Who is the Space Coast Transportation Planning Organization?

- A. The Space Coast TPO is an organization comprised of 19 elected officials representing all areas of Brevard County.
- B. The TPO Board is responsible for coordinating and prioritizing transportation projects that are eligible for Federal and State funds.
- C. The TPO does not prioritize local neighborhood roads. Those are the responsibility of the your local city or county government.

# WICKHAM ROAD

OPERATIONAL ANALYSIS

Q. How did we get here? Why is Wickham Road being studied?

- A. 2014 – TPO completed a countywide safety analysis
- B. 2015-16 – TPO conducted safety audits on high crash corridors, Wickham Road being one of them – issues identified
- C. 2017 – TPO conducting analysis on Wickham Road to develop appropriate alternatives that can be implemented to address issues

# WICKHAM ROAD

OPERATIONAL ANALYSIS

## Q. What are we studying?

- A. Signalized intersections: are they coordinated; are updated technologies needed; are pedestrian and bicycle facilities present;
- B. Along the Corridor: complete pedestrian facilities; bicycle lanes; safe places to cross; transit stops
- C. Next steps will be Design, Right-of-Way (Possibly), and then Construction
- D. Recommendations will be developed for short and long term (Short term solutions will not require right-of-way).

Q. What is the public's role?

- A. Get involved – now is the time
- B. Share your thoughts, concerns
- C. Send e-mails; visit website;  
attend meetings
- D. YOUR VOICE COUNTS
