

# Space Coast Transportation Planning Organization (SCTPO) TECHNICAL/CITIZEN ADVISORY COMMITTEE (TAC/CAC) MEETING

TAC Chair, Cliff Graham / CAC Chair, Philip Weinberg Presiding

DATE: Monday, March 11, 2024  
TIME: 9:30 a.m.  
LOCATION: Center for Collaboration  
1100 Rockledge Blvd., Rockledge, FL 32955

Wireless Access Available  
Network Name: Guestwireless  
Password: GuestWifi

## AGENDA

### 1. Call to Order and Pledge of Allegiance

### 2. Public Comment (non-agenda items only)

*Anyone wishing to make a comment on an item not on the agenda should complete a “speaker card” at the sign-in desk. For items on the agenda, please fill out a “speaker card” and you will be called upon when the item is discussed. Comments are limited to three minutes.*

### 3. Executive Director’s Report (Pg. 3)

### 4. Consent Agenda

*(The entire Consent Agenda will be passed in one motion and read aloud for the record)*

A. Approval RE: Technical/Citizens Advisory Committee Meeting Minutes – February 5, 2024  
(Pg. 13)

B. FY 2023 Community Transportation Coordinator Evaluation (Pg. 25)

### 5. Actions

A. Approval RE: Transmittal of Draft FY 25 – FY 26 Unified Planning Work Program (UPWP) (Pg. 27)

B. Approval RE: Resolution 24-16, FY 24-28 Transportation Improvement Program  
Amendment (Pg. 31)

### 6. Presentations

A. Target Zero Presentation by Melissa Wandall (Pg. 36)

B. Emerging Trends in Transportation by Gil Rameriz (Pg. 45)

### 7. Reports

A. Florida Department of Transportation (FDOT) Report (Pg. 46)

B. Bicycle, Pedestrian, and Trails Advisory Committee (BPTAC) Report (Pg. 68)

C. Transportation Disadvantaged Local Coordinating Board Report (Pg. 73)

D. Public Engagement Report (Pg. 74)

E. Local Government Report (Pg. 81)

### 8. Adjourn

Glossary of Terms/Governing Board Strategic Plan Reference Sheet

## UPCOMING MEETINGS:

---

**TAC/CAC:** April 8, 2024, 9:30 a.m., Center for Collaboration,  
1100 Rockledge Blvd., Rockledge, FL 32955

**GOVERNING BOARD:** April 11, 2024, 1:30 p.m., Center for Collaboration,  
1100 Rockledge Blvd., Rockledge, FL 32955

**BPTAC:** April 29, 2024, 5:30 p.m., Viera Government Center  
Building C, 3<sup>rd</sup> Floor, Florida Room  
2725 Judge Fran Jamieson Way, Melbourne, FL 32940

---

Public Comment: Comments will be heard on items that do not appear on the agenda of this meeting. Public comments are solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Note, however, that state law and administrative rules prevent the TPO from taking any formal action on any item discussed at this time. The TPO may schedule such items as regular agenda items and act upon them in the future. The Chair is authorized to limit discussion, as necessary, with each commentary limited to 3 minutes.

Appeal: Any person who desires or decides to appeal any decision made by this agency with respect to any matter considered at this meeting or hearing will need a record of the proceedings. For such purpose, such person may need to ensure that a verbatim record of the proceedings is made, at his own expense, which record includes testimony and evidence upon which the appeal is to be based. Any questions about this meeting should be directed to TPO staff, (321) 690-6890 or e-mail: [tpostaff@sctpo.com](mailto:tpostaff@sctpo.com)

Accessibility: In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing special accommodations to participate in this proceeding or persons who require translation services (free of charge) should contact the Space Coast TPO Office no later than 48 hours prior to the meeting at (321) 690-6890 for assistance.

The SCTPO is actively working to increase the accessibility of our meeting materials and in doing so, adhere to many of the available standards and guidelines, when applicable. Should you encounter any inaccessible material, please contact Abby Hemenway, Public Involvement Officer and Title VI Coordinator, (321) 690-6890 or e-mail: [abby.hemenway@sctpo.com](mailto:abby.hemenway@sctpo.com)

Live Broadcast: The TPO meeting will be broadcast live on Space Coast Government Television on Spectrum Networks cable channel 499, Comcast (North Brevard) Channel 51, Comcast (South Brevard) Channel 26. SCGTV will also replay the meeting during the coming month. Check the SCGTV website for daily program updates, (<http://www.scgtv.org>).

REPORTS  
ITEM NUMBER 3A

**Executive Director's Report**

*For further information, please contact: [Georganna.Gillette@sctpo.com](mailto:Georganna.Gillette@sctpo.com)  
Strategic Plan Emphasis Area: Leadership*

---

**DISCUSSION**

Georganna Gillette, SCTPO Executive Director, will advise the Governing Board of any pertinent items not covered on the agenda, including the 2024 Legislative Session, Transportation Bills, and upcoming Law Enforcement tours to discuss safety.

**REQUESTED ACTION**

As desired by the Space Coast TAC/CAC.

**ATTACHMENTS**

- Draft February 8, 2024, TPO Governing Board Meeting Minutes, **Attachment A**

**Space Coast Transportation Planning Organization (SCTPO)  
Governing Board Meeting**

Center for Collaboration  
1100 Rockledge Blvd., Rockledge, Florida 32955

Meeting Date: February 8, 2024

**MEETING MINUTES**

***Agenda***

---

- 1. Call to Order of the SCTPO Governing Board and Pledge of Allegiance**
- 2. Public Comment**
- 3. Reports**
  - A. Executive Director's Report
  - B. Technical and Citizen's Advisory Committees (TAC/CAC) Report
  - C. Bicycle, Pedestrian, and Trails Advisory Committee (BTPAC) Report
  - D. Space Coast Area Transit Report
  - E. Florida Department of Transportation (FDOT) Report
- 4. Consent Agenda**

(The entire Consent Agenda will be passed in one motion and read aloud for the record)

  - A. Approval RE: TPO Governing Board Meeting Minutes – October 12 and December 14, 2023
  - B. Approval RE: Committee Appointments
  - C. Approval RE: Resolution 24-09, Urbanized Area Boundaries
  - D. Approval RE: Work Order 24-09K, Mobility on Demand Scope of Services
  - E. Approval RE: 2024 Meeting Calendar
  - F. Approval RE: Resolution 24-14, Acceptance and Approval to Execute SUN Trail Grant Award, Work Order 24-10K, North Merritt Island Pioneer Trail Scope of Services, and FY 24 Operating Budget Amendment
  - G. Approval RE: 2050 Long Range Transportation Plan Goals and Objectives
  - H. Approval RE: Resolution 24-12, SCTPO Performance Measure Targets: Safety (PM1)
  - I. Approval RE: Work Order 24-11K, Ellis Road Sub Area Model Development Scope of Services
- 5. Actions**
  - A. Approval RE: Annual Election of Officers and Appointment of Representatives
  - B. Approval RE: Resolution 24-10: 2045 Long Range Transportation Plan Amendment No. 5
  - C. Approval RE: Resolution 24-11: FY 24 – 28 Transportation Improvement Program Amendment
  - D. Adoption RE: Resolution 24-13, SCTPO Vision Zero Action Plan Update
  - E. Approval RE: Brevard Rail Safety – Grant Opportunity
- 6. Presentations**
  - A. Member Orientation (Transportation Planning 101)
- 7. Adjourn**

**SCTPO Board Members Present:**

---

Commissioner Jerry Allender, *Canaveral Port Authority*  
Mayor Michael Blake, *City of Cocoa*  
Commissioner Rob Feltner, *BOCC District 4*  
Councilmember Stuart Glass, *South Beaches Coalition*  
Council Member Mimi Hanley, *City of Melbourne – Arrived 1:45 p.m.*  
Council Member Kenny Johnson, *City of Palm Bay – Arrived at 1:45 p.m.*  
Council Member Daniel McDow, *City of West Melbourne (Alternate)*  
Mayor Rob Medina, *City of Palm Bay*  
Vice Mayor Yvonne Minus, *City of Melbourne*  
Vice Mayor Joe Robinson, *City of Titusville*  
Commissioner Skip Williams, *North Beaches Coalition*  
Council Member Don Willis, *North Beaches Coalition (Alternate)*  
Council Member Andrea Young, *City of West Melbourne*

**Others Present:**

---

Gabrielle Bargerstock, *HSC Brevard*  
Laura Carter, *Space Coast TPO staff*  
Katie Delaney  
Alison Dennington, *Town of Melbourne Beach*  
Brenda Fettrow, *City of Rockledge*  
Debbie Flynn, *Space Coast TPO staff*  
Georganna Gillette, *Space Coast TPO staff*  
Paul Gougelman, *SCTPO Legal Counsel*  
Kenneth Harley, *Space Coast Area Transit*  
Travis Hills, *KAI*  
Jillian John, *Space Coast TPO staff*  
Chuck Koppernolle, *FDOT*  
Zoe McNeely, *Space Coast TPO staff*  
Veronica Narvaez-Lugo, *Port Canaveral*  
Gregg Stoll, *Citizen's Advisory Committee*  
Sandra Sullivan  
Shelby Villatoro, *Space Coast TPO staff*  
Jim Wood, *Kimley Horn*

## **Agenda Items:**

### **Item 1. Call to Order of the Space Coast TPO Governing Board and Pledge of Allegiance**

SCTPO Governing Board Chair, Andrea Young called the meeting to order at 1:32 p.m. and welcomed those in attendance. All stood for the Pledge of Allegiance.

### **Item 2. Public Comment**

Sandra Sullivan commented her concerns regarding funding for capacity projects and the need for county impact fees. She also commented concern regarding a bike lane installation project on the State Road 513 repaving. She mentioned her City of Satellite Beach requested a variance to allow golf carts to cross A1A and believes that golf carts/low speed vehicles need to be monitored.

Katie Delaney commented her concern that less than 5% of the FDOT budget goes to capacity needs. She believes the public should have an explanation as to why Space Florida is getting a large chunk of the FDOT budget. She commented that Highway 46 is one of the deadliest roads in North Brevard and believes that this road deserves some attention. She commented that she hopes to see more attendance from public officials at the SCTPO meetings and other transportation related meetings.

## **Reports:**

### **Item 3A. Executive Director's Report**

Georganna Gillette, SCTPO Executive Director, advised the Governing Board of any pertinent items not covered on the agenda. Perfect attendance for the 2023 TAC/CAC meetings was acknowledged. The members with perfect attendance were Councilmember Mimi Hanley, Vice-Mayor Yvonne Minus, Councilmember Don Willis.

Brevard County did not receive the INFRA Grant award for the Ellis Road widening. The only Florida project that was awarded was I-4 truck parking for \$180 million. There will be 917 truck parking spots along four sites on I-4. The SCTPO will work with consultants for when another INFRA grant opportunity is available.

There is correspondence in the agenda package explaining that the State of Florida has told USDOT that it will not comply with setting performance targets for greenhouse gas emissions and developing a carbon reduction plan. They believe that FHWA and the federal government has exhibited broad overreach in their implementation of the rule and has been left with no choice but to follow 20 other states and file a complaint in federal court requesting injunctive relief to the rule. FHWA has acknowledged the complaint and extending the deadline to set greenhouse gas emissions. TPO's are required to establish greenhouse gas targets no later than 180 days after the DOT. These are issues more national and political in nature but could affect Brevard County because we receive a percentage of the carbon reduction funding.

Gillette wanted to highlight a transportation bill, Senate bill 1032. It is a very broad transportation bill. This bill has significant impacts to MPOs and statewide transportation planning. This will require the DOT to review each MPO's long range transportation plan to ensure there is connectivity between people and freight and to ensure that it is

progressively implemented. If the plan is found to be unsatisfactory, the DOT will return the plan to the MPO for revision. It will also require DOT to set policy performance metrics and a minimum acceptable score to rate each MPOs service to its communities, taking into consideration traffic congestion, the utilization rate of multimodal transportation facilities, resident satisfaction, and efficiency of the transportation system. Any MPO that does not achieve the minimum acceptable score could potentially be taken over by the DOT secretary who would appoint a new Executive Director and a new Chair of the TPO Governing Board, potentially restructure the Governing Board, and potentially merge MPOs. If the MPO gets the top score, they will receive a \$5 million prize to go toward any project. The bill would also abolish the MPO Advisory Council and the Florida Transportation Commission that recommends the DOT secretary to the Governor. This house bill is moving through several committees. No one knows where this bill is coming from, but it is being discussed in detail.

Paul Gougelman commented that the latest word out of Tallahassee (the rumor) is that the revised version of SB 1032 is going to be combined with the DOT's transportation bill. If that happens then the MPOAC, which is the collective voice of all the MPOs in Florida, will be abolished July 1<sup>st</sup> resulting in more authority for FDOT. More talking points from Mr. Gougelman are in the agenda package.

Commissioner Feltner commented that a 7,000 level bill in the house is a committee bill so a committee bill doesn't move forward if the speaker does not want it to. If anyone is looking to see where it came from, it probably came from the fourth floor.

Mimi Hanley commented that it is her understanding that MPOs are federally mandated. Gillette replied that Paul Gougelman's legal opinion does describe this bill as against federal law. However, the MPOAC was created by Florida legislature. Gillette mentioned that this bill puts DOT in a terrible position especially regarding "customer satisfaction". MPOs do have authority over some federal funding but not all funding and not state funding; many of the problems are on state roads.

### **Item 3B. Technical and Citizen's Advisory Committees (TAC/CAC) Report**

Georganna Gillette, SCTPO Executive Director – Space Coast TPO, reviewed the summary of actions taken at the February 5<sup>th</sup> TAC/CAC meeting.

### **Item 3C. Bicycle, Pedestrian and Trails Advisory Committee (BPTAC) Report**

Sarah Kraum reported on Bicycle, Pedestrian, & Trails Advisory Committee (BPTAC) and related Space Coast TPO activities.

At the most recent BPTAC Meeting of December 4<sup>th</sup>, the annual election of officers was held, the Long-Range Transportation Plan goals and objectives were presented, and the annual member orientation was held for the BPTAC. An upcoming visioning workshop was discussed and will be held on February 26, 2024.

### **Item 3D. Space Coast Area Transit Report**

Space Coast Area Transit provided an update on recent activities and any changes of the transit system. Terry Jordan reported that there is an increase in ridership over last year and Space Coast Area Transit continues to rebound after the pandemic. New

vehicles have been delivered and they are working on the Intelligent Transportation Systems to put the vehicles in service. Passengers can now access Wi-Fi and charge their mobile devices while the vehicle is in service. They are in the process of purchasing another new vehicle. They are expecting to have three Paratransit vehicles built and delivered by the end of the year. Space Coast Area Transit is collaborating with the SCTPO for the transit development plan. Space Coast Area Transit is also meeting regarding a Mobility on Demand study which will look at fine tuning service that is currently operating in certain areas.

Mimi Hanley requested that a garbage receptacle be reinstalled at the bus stop on the corner of Sarno Road and Croton Road. Jordan replied that he will work toward having a large receptacle installed at that location.

Joe Robinson asked about the criteria for a shelter to be installed at a bus stop. Jordan replied that they first determine if the location can accommodate a shelter. Shelters require a certain setback from the roadway. Secondly, they look at ridership at the location. They often partner with agencies to make sure that there is collaboration with the local municipality. Robinson asked if Space Coast Area Transit is still pursuing the implementation of electric buses. Jordan replied that SCAT has ordered hybrid electric vehicles which allows the diesel engine to recharge the batteries so there is not a need for charging infrastructure. Space Coast Area Transit is interested in hybrid vehicles, not fully electric, because of the charging infrastructure and the range of the vehicles.

Yvonne Minus requested a secure bench for a bus stop on University Boulevard in Melbourne across the street from Hickory Point Apartments. Minus also asked about transportation in Barefoot Bay. Jordan replied that he will investigate replacing the bench if it is on a concrete slab and belongs to SCAT. If the bench is on the private property of the apartments, then SCAT can work with the whomever to replace the bench. He commented that Barefoot Bay has a vehicle for the seniors that is operated by Barefoot Bay residents. It is a 14 passenger van that they have access to and may use it for grocery and shopping errands. He can provide further information to the individuals that may need it. He also commented that Indian River County also provides service to that area.

**Public Comment:** Sandra Sullivan commented on the state of benches and shelters in South Patrick Shores.

### **Item 3E. Florida Department of Transportation (FDOT) Report**

FDOT Staff reported to the Space Coast TPO Governing Board the status of various construction projects and engineering studies currently in progress in Brevard County.

Skip Williams commented on the safety project on A1A from Crescent Beach to Minuteman Causeway. He also commented on flooding on State Road 520. Georganna Gillette commented that the SCTPO will be involved in the project on State Road 520 causeway vulnerability study.

## **Consent Agenda:**

The entire Consent Agenda will be passed in one motion.

### **Item 4A. Approval RE: TPO Governing Board Meeting Minutes – October 12 and December 14, 2023**

### **Item 4B. Approval RE: Committee Appointments**

### **Item 4C. Approval RE: Resolution 24-09, Urbanized Area Boundaries**

### **Item 4D. Approval RE: Work Order 24-09K, Mobility on Demand Scope of Services**

### **Item 4E. Approval RE: 2024 Meeting Calendar**

### **Item 4F. Approval RE: Resolution 24-14, Acceptance and Approval to Execute SUN Trail Grant Award, Work Order 24-10K, North Merritt Island Pioneer Trail Scope of Services, and FY 24 Operating Budget Amendment**

### **Item 4G. Approval RE: 2050 Long Range Transportation Plan Goals and Objectives**

### **Item 4H. Approval RE: Resolution 24-12, SCTPO Performance Measure Targets: Safety (PM1)**

### **Item 4I. Approval RE: Work Order 24-11K, Ellis Road Sub Area Model Development Scope of Services**

***Motion by Rob Medina, second by Yvonne Minus, to approve the Consent Agenda. Hearing no objections, the motion passed unanimously.***

## **Actions:**

### **Item 5A. Approval RE: Annual Election of Officers and Appointment of Representatives**

Elections are held for the Space Coast TPO at the final meeting of the calendar year. All elected and appointed Officers will serve for the period 01/01/2024 – 12/31/2024.

Skip Williams nominated Andrea Young to retain her seat as the current SCTPO Governing Board Chair. The motion was made by Michael Blake. Jerry Allender nominated Yvonne Minus to retain her seat as the current SCTPO Governing Board Vice-Chair. The motion was made by Michael Blake. Yvonne Minus nominated Joe Robinson to retain his seat as the current SCTPO Governing Board Secretary. The motion was made by Michael Blake. Rob Medina nominated Jerry Allender to retain his position as an At-Large Board Member on the Executive Committee. The motion was made by Michael Blake. Kenny Johnson nominated Mimi Hanley for the vacant position as an At-Large Board Member on the Executive Committee. The motion was Michael Blake. Skip Williams made a motion to nominate all current Central Florida MPO Alliance SCTPO Representatives to retain their positions and Andrea Young to retain her position as Transportation Disadvantaged Local Coordinating Board Chair. Rob Medina seconded the motion with the amendment that Kenny Johnson replaces Randy Foster as a CFMPOA Representative Alternate.

***Motion by Michael Blake to approve Andrea Young as the Governing Board Chair. Motion by Michael Blake to approve Yvonne Minus as the Governing Board Vice-Chair. Motion by Michael Blake to approve Joe Robinson as the Governing Board Secretary. Motion by Michael Blake to approve Jerry***

***Allender as an At-Large Board Member. Motion by Michael Blake to approve Mimi Hanley as an At-Large Board Member. Motion by Skip Williams to approve all current CFMPOA Representatives and approve Andrea Young as the Transportation Disadvantage Local Coordinating Board Chair, with an amendment by Rob Medina that Kenny Johnson replaces Randy Foster as a an alternate for the CFMPOA. Hearing no objections, the motion passed unanimously.***

**Item 5B. Approval RE: Resolution 24-10: 2045 Long Range Transportation Plan Amendment No. 5**

There are occasionally times when the Space Coast Transportation Planning Organization may find it necessary to amend the Long Range Transportation Plan (LRTP), outside of the 5-year update cycle.

SR 524 Widening project has been updated to reflect a funding change in Table 11.2: Other Arterial (State/Federal Funds) Projects of the LRTP with an estimated cost of \$7.4 million for design in FY 25.

The amendment also includes a minor administrative update in Table 11:4 Mixed Funding Projects, Malabar Road Widening project of the LRTP with an estimated cost of \$9.975 million for design in FY 24. The changes will not impact the cost feasibility of current or future projects.

The SCTPO seeks to amend the 2045 LRTP by Resolution 24-10, 2045 Long Range Transportation Plan Amendment No. 5 to comply with planning consistency requirements.

This resolution was included on the SCTPO Governing Board's December 14, 2023, action items for approval. However, due to quorum not being established, no actions were approved. Waiting for the next regularly scheduled Governing Board meeting for approval would have caused unnecessary delays in FDOT operations.

On December 18, 2023, the SCTPO Executive Director approved Resolution 24-10: 2045 Long Range Transportation Plan Amendment No. 5. This approval was in accordance with SCTPO Policy, PLC-3, Section 7.0(C)(1) SCTPO Executive Director Approval Authority, Emergency Circumstances.

***Motion by Rob Medina, second by Michael Blake, to approve Resolution 24-10: 2045 Long Range Transportation Plan Amendment No.5. Motion passed unanimously via roll call vote 11-0.***

**Approval RE: Resolution 24-11: FY 24 – 28 Transportation Improvement Program Amendment**

The Florida Department of Transportation requested an amendment to the adopted FY 24 – FY 28 Transportation Improvement Program to align with the Department's Work Program.

A project must be included in the approved TIP and State Transportation Improvement Program (STIP) for the FHWA and the FTA to participate in the cost of any federally funded transportation project.

The TIP reflects the TPO's priorities, consistent with port and aviation master plans, transit development plans and local government comprehensive plans, and are selected in part based on the public comment received under the TPO's Public Participation process.

This resolution was included on the SCTPO Governing Board's December 14, 2023, action items for approval. However, due to quorum not being established, no actions were approved. Waiting for the next regularly scheduled Governing Board meeting for approval would have caused unnecessary delays in FDOT operations.

On December 18, 2023, the SCTPO's Executive Director approved Resolution 24-11: FY 24 – 28 TIP Amendment No. 2. This approval was in accordance with SCTPO Policy, PLC-3, Section 7.0(C)(1) SCTPO Executive Director Approval Authority, Emergency Circumstances.

***Motion by Michael Blake, second by Yvonne Minus, to approve Resolution 24-11: FY 24 – 28 Transportation Improvement Program Amendment.  
Motion passed unanimously via roll call vote 11-0.***

**Item 5D. Adoption RE: Resolution 24-13, SCTPO Vision Zero Action Plan Update**

The SCTPO's vision of providing a safe, multimodal, innovative, and resilient transportation system for all requires improving the safety of Brevard County's transportation system. The SCTPO has a long history of supporting safety efforts to increase awareness, including the adoption of resolution of support for Vision Zero and the development of the 2020 Vision Zero Action Plan in 2019.

Vision Zero's philosophy is that traffic fatalities and serious injuries can be prevented, and the absolute minimum acceptable number is zero. Vision Zero is a data driven, multi-disciplinary approach bringing together diverse and necessary stakeholders to address this complex problem and requires a fundamental change in the way we think about traffic safety and planning.

As the 2020 Vision Zero Action Plan strategies and goals were accomplished, the SCTPO began the task of updating the Plan. This 2024 Vision Zero Action Plan focuses on the next phase of efforts to achieve zero fatalities and serious injuries on our roadways, and better serves our community through the development of new strategies, targets, and best practices identified in recent years.

TPO staff have prepared a resolution adopting the updated 2024 Vision Zero Action Plan to further guide their efforts towards zero traffic deaths and serious injuries on Brevard County roads. The resolution serves as a commitment to the 2024 Action Plan, establishes the SCTPO's first target goal of 2050, and encourages local municipalities to consider developing and adopting Action Plans for their respective jurisdictions.

A full draft of the 2024 Vision Zero Action Plan can be reviewed at:

[www.spacecoasttpo.com/what-we-do/planning/vision-zero](http://www.spacecoasttpo.com/what-we-do/planning/vision-zero).

**Public Comment:** Sandra Sullivan commented that electric micro mobility devices and vehicle, specifically golf carts, should be included in the educational programs of the SCTPO.

***Motion by Joe Robinson, second by Michael Blake, to adopt Resolution 24-13, SCTPO Vision Zero Action Plan Update. Hearing no objections, the motion passed unanimously.***

### **Item 5E. Approval RE: Brevard Rail Safety – Grant Opportunity**

Initial discussions have begun with stakeholders to begin early coordination to apply for a discretionary grant from the Federal Railroad Administration (FRA). Through the Bipartisan Infrastructure Law (BIL), several grant opportunities are expected in the coming months.

Brightline has installed all the required safety improvements through their construction phase for the intercity passenger rail. Additional improvements were awarded through a RAISE grant that include signage, delineators and other supplemental safety measures that would improve safety along the Florida East Coast Rail Corridor including Brevard County. Construction of these improvements are forthcoming.

Through a potential new grant opportunity, additional safety improvements will be evaluated at 10 crossing locations in Brevard County. In order to be prepared and ready to submit for this or any other future grant opportunities, it is being requested that the SCTPO Executive Director be granted authorization to utilize consultant services via work orders for grant development support and be authorized to execute all documentation related to grant submission and award of such that would provide additional supplemental safety improvements along the FEC Rail corridor.

***Motion by Rob Medina, second by Michael Blake, to authorize SCTPO Executive Director to execute consultant Work Orders for grant development and submission support and all subsequent documentation regarding Discretionary Grant Submissions and Award related to rail safety. Hearing no objections, the motion passed unanimously.***

### **Presentations:**

#### **Item 6A. Member Orientation (Transportation Planning 101)**

Each year, the SCTPO provides a Member Orientation to familiarize new and existing members with functions, priorities, and strategic plan objectives.

SCTPO Executive Director Georganna Gillette provided an overview of the nature of SCTPO, what we do, and your role as a member of the committee or governing board. Michael Blake commented as a new member, that he is happy to a part of the SCTPO, and he will abide by all policies and procedures, and he believes in the organization.

#### **Item 7. Adjourn**

The next Governing Board Meeting is March 14<sup>th</sup>, 2024, 1:30 p.m. at the Center for Collaboration in Rockledge. Hearing no further discussion, Ms. Young adjourned the meeting at 3:06pm.

CONSENT AGENDA

ITEM NUMBER 4A

**Approval RE: Technical & Citizens Advisory Committee Meeting Minutes**

Zuhlic, Morgan; *Cocoa Beach*

### **Agenda Items:**

#### **Item 1. Call to Order of the Technical and Citizen Advisory Committees and Pledge of Allegiance**

Technical Advisory Committee Chair, Cliff Graham, called the meeting to order at 9:30 a.m. and welcomed those in attendance. All stood for the Pledge of Allegiance.

#### **Item 2. Public Comment**

None.

#### **Item 3. Executive Director's Report**

Georganna Gillette, SCTPO Executive Director, advised the Committees of any pertinent items not covered on the agenda. Perfect attendance for the 2023 TAC/CAC meetings was acknowledged. The TAC members were Bob Musser, Jared Francis, Frank Watanabe, KB Ofosu, and Cliff Graham. The CAC members were Rodney Honeycutt, Adam Kohler, Peter Fuscas, Michael Wrazen, and Arlyn Deblauw.

The SCTPO offered technical assistance to Brevard County to apply for an Infrastructure Grant for the widening of Ellis Road, the SCTPO's top priority. Brevard County did not receive this award. SCTPO will assist with another application for the grant this year. SCTPO is coordinating with Brevard County and consultants to update modeling information that will help the development of the application.

Gillette provided an update on the carbon reduction program funding. The state of Florida has told the US DOT that it will not comply with setting performance targets for greenhouse gas emissions and developing a carbon reduction plan. This may affect Brevard County because Florida was set to get roughly \$320 million from the federal government from the infrastructure bill for the carbon reduction program. SCTPO's budget has carbon reduction funds programmed on quite a few projects. SCTPO receives roughly \$1.5 million per year from the infrastructure bill and has been very aggressively programming it on various projects. SCTPO will continue to work with DOT partners and seek guidance from DOT District 5 office. February 1<sup>st</sup> was the deadline for the department to set those targets and it has now been extended to March 29<sup>th</sup>. MPOs have 180 days to set targets after the DOT adopts their target. The DOT does not plan on adopting a target which means the MPOs will have to discuss how to move forward.

Gillette wanted to highlight a transportation bill, Senate bill 1032. It is a very broad transportation bill. This bill has significant impacts to MPOs and statewide transportation planning. This will require the DOT to review each MPOs long range transportation plan to ensure there is connectivity between people and freight and to ensure that it is

progressively implemented. If the plan is found to be unsatisfactory, the DOT will return the plan to the MPO for revision. It will also require DOT to set policy performance metrics and a minimum acceptable score to rate each MPOs service to its communities, taking into consideration traffic congestion, the utilization rate of multimodal transportation facilities, resident satisfaction, and efficiency of the transportation system. Any MPO that does not achieve the minimum acceptable score could potentially be taken over by the DOT secretary who would appoint a new Executive Director and a new Chair of the TPO Governing Board, potentially restructure the Governing Board, and potentially merge MPOs. If the MPO gets the top score, they will receive a \$5 million prize to go toward any project. The bill would also abolish the MPO Advisory Council and the Florida Transportation Commission that recommends the DOT secretary to the Governor. This house bill is moving through several committees. No one knows where this bill is coming from, but it is being discussed in detail.

Pete Petyk commented about a potential financial motive behind the bill.

Christy Fischer asked if FDOT is being held accountable similar to the MPOs? Gillette replied that this bill would put DOT in a terrible position. Gillette stated, as MPOs we control some federal funding but certainly not all funding. There is a very long priority list with projects that are not moving, majority of them on state road. The department is not taking a position on this, but it is hard to imagine that DOT would want to take over an MPO. Florida has one of the best transportation systems in the country because of the collaboration between MPOs and the department.

Philip Weinberg recommended that if any members of the TAC/CAC have interactions with any legislative delegation to express total opposition to SB 1032.

Ginger Twigg asked if anyone has spoken to the Senator that proposed the bill. Gillette replied that letters have been sent to the Senator and that Mark Reichert met with Representative McFarland but was not able to get any information. If someone knows where this bill is coming from, they are not saying. It is possible that the bill could be from a lack of understanding MPOs contributions.

### ***Consent Agenda:***

Cliff Graham read aloud the Consent Agenda. The entire Consent Agenda will be passed in one motion and read aloud for the record.

**Item 4A. Approval RE: TAC/CAC Meeting Minutes – December 11, 2023**

**Item 4B. Approval RE: Resolution 24-14, Acceptance and Approval to Execute SUN Trail Grant Award, Work Order 24-10K, North Merritt Island Pioneer Trail Scope of Services, and FY 24 Operating Budget Amendment**

**Item 4C. Approval RE: Resolution 24-12, SCTPO Performance Measure Targets: Safety (PM1)**

**Item 4D. Approval RE: Work Order 24-11K, Ellis Road Sub Area Model Development Scope of Services**

***TAC motion by Christy Fischer, second by Frank Guertin, to approve all items of the Consent Agenda. CAC motion by Arlyn Deblauw, second by Henry Morin, to concur with the TAC motions. Hearing no objections, the CAC motion passed unanimously. The TAC motion passed unanimously.***

### ***Action Items:***

#### **Item 5A. Adoption RE: Resolution 24-13: SCTPO Vision Zero Action Plan Update**

The SCTPO's vision of providing a safe, multimodal, innovative, and resilient transportation system for all requires improving the safety of Brevard County's transportation system. The SCTPO has a long history of supporting safety efforts to increase awareness, including the adoption of resolution of support for Vision Zero and the development of the 2020 Vision Zero Action Plan in 2019.

Vision Zero's philosophy is that traffic fatalities and serious injuries can be prevented, and the absolute minimum acceptable number is zero. Vision Zero is a data driven, multi-disciplinary approach bringing together diverse and necessary stakeholders to address this complex problem and requires a fundamental change in the way we think about traffic safety and planning.

As the 2020 Vision Zero Action Plan strategies and goals were accomplished, the SCTPO began the task of updating the Plan. This 2024 Vision Zero Action Plan focuses on the next phase of efforts to achieve zero fatalities and serious injuries on our roadways, and better serves our community through the development of new strategies, targets, and best practices identified in recent years.

TPO staff have prepared a resolution adopting the updated 2024 Vision Zero Action Plan to further guide their efforts towards zero traffic deaths and serious injuries on Brevard County roads. The resolution serves as a commitment to the 2024 Action Plan, establishes the SCTPO's first target goal of 2050, and encourages local municipalities to consider developing and adopting Action Plans for their respective jurisdictions.

A full draft of the 2024 Vision Zero Action Plan can be reviewed at:

[www.spacecoasttpo.com/what-we-do/planning/vision-zero](http://www.spacecoasttpo.com/what-we-do/planning/vision-zero).

Christy Fischer commented that inexpensive things can be done to intersections with paint and if working with the County is possible to implement this type of improvement. Shelby Villatoro replied that this is something that TPO encourages but it falls to the agencies to implement.

Gregg Stoll commented that he would like to see a safety pop-up in relation to rail crossing safety. He asked if Georganna Gillette if she could speak to any potential grants for additional safety measures to implement at the crossings that meet FRA specifications but could be enhanced. Georganna Gillette replied that the SCTPO is in contact with Brightline. There is an item for the TPO Governing Board, with their approval the SCPTO is going to potentially take the lead on applying for a grant for safety improvements on the ten rail crossing locations that do not have certain safety improvements. The SCTPO is in coordination with Brevard County, the City of Melbourne, and the City of Cocoa but we must wait for the Grant Opportunity to come

out. There is also a RAISE grant where DOT and Brightline partnered together that is in the works to add delineators and low cost improvements.

Pete Petyk commented that he would like to see more pedestrian crossings and pavement markings. He also commented that there should be strict enforcement against those who do not stop for pedestrians in a crosswalk. Gillette commented that enforcement is a big part of safety. Engineering and education are important, but people have potentially trespassed across rail crossing for years and the problem now is that the train is moving too fast to get away with that.

Eric Fielding asked if the Vision Zero Action Plan is published annually. Villatoro replied that the SCTPO uses the Action Plan to do an annual report that provides updates on the tracked progress and the Action Plan is updated as needed.

Shelby Villatoro commented to Petyk's comment about enforcement and mentioned that the County just partnered with Best Foot Forward to do crosswalk enforcement and will be deliberately going out and writing tickets for people that do not stop at crosswalks.

***TAC motion Devin Swanson, second by Christy Fischer to adopt the SCTPO Vision Zero Action Plan Update. CAC motion by Gregg Stoll, second by Arlyn Deblauw, to concur with the TAC motions. Hearing no objections, the CAC motion passed unanimously. The TAC motion passed unanimously.***

### **Presentations:**

#### **Item 6A. Member Orientation (Transportation Planning 101)**

Each year, the SCTPO provides a Member Orientation to familiarize new and existing members with functions, priorities, and strategic plan objectives.

SCTPO Executive Director Georganna Gillette will provide an overview of the nature of SCTPO, what we do, and your role as a member of the committee or governing board.

Pete Petyk commented on homeless citizens losing their lives near railroad crossings. Gillette replied that the SCTPO is coordinating with local governments about the grant mentioned, the county or the cities will have to provide a 20% non-federal match and once the improvements are put in, upon receipt of an award, they are also going to have to maintain those improvements.

Ginger Twigg asked about remote attendance and if it will be offered in the future. Gillette replied that during the COVID-19 pandemic, remote meetings took place, but it was a process to set up the equipment and found that there was not a lot of participation in Brevard County, most members wanted to meet in person.

### **Reports:**

#### **Item 7A. Florida Department of Transportation (FDOT) Report**

Chuck Koppennolle, FDOT MPO Liaison, reported to the Space Coast TPO Governing Board the status of various construction projects and engineering studies currently in progress in Brevard County.

Ginger Twigg asked if any LPI signals will be included in the intersections that have right turn lane additions. Koppernolle will find out and report back.

Jared Francis commented that at a recent Commission meeting in Cocoa Beach, it was voted to remove the raised crosswalks except for Northbound at South 21<sup>st</sup> Street.

Pete Petyk commented that raised crosswalks are intended to slow drivers down and he is disappointed that the City of Cocoa Beach is removing something that would benefit the pedestrians because of political expediency.

#### **Item 7B. Bicycle, Pedestrian and Trails Advisory Committee (BPTAC) Report**

Sarah Kraum reported on Bicycle, Pedestrian, & Trails Advisory Committee (BPTAC) and related Space Coast TPO activities.

At the most recent BPTAC Meeting of December 4<sup>th</sup>, the annual election of officers was held, the Long-Range Transportation Plan goals and objectives were presented, and the annual member orientation was held for the BPTAC. An upcoming visioning workshop was discussed and will be held on February 26, 2024.

#### **Item 7C. Space Coast Area Transit Report**

Space Coast Area Transit provided an update on recent activities and any changes of the transit system. Ken Harley reported that there have been increases in fixed route ridership. The Community Transportation Coordinator annual evaluation with Space Coast TPO was recently completed.

#### **Item 7D. Public Engagement Report**

The Space Coast TPO's Public Involvement Officer, Abby Hemenway, was absent from the meeting but the agenda package includes the updates on public participation efforts and initiatives.

#### **Item 7E. Local Government Report**

Reports on transportation related topics within any jurisdiction of interest to other jurisdictions or agencies may be presented under this item.

#### **Item 8. Adjourn**

Meeting adjourned at 10:53 am. The next meeting is March 11, 2024, at 9:30 a.m.

**CONSENT AGENDA**

**ITEM NUMBER 4B**

**Approval RE: FY 2023 Community Transportation Coordinator (CTC)  
Evaluation Report**

*For further information, please contact: [debbie.flynn@sctpo.com](mailto:debbie.flynn@sctpo.com)*

*Strategic Plan Emphasis Area: Leadership*

---

**DISCUSSION**

Space Coast Transportation Planning Organization (TPO) initiated the annual Community Transportation Coordinator (CTC) evaluation on November 9, 2023. The evaluation is required per FAC 41-2.012 (5)(b) of the Commission for the Transportation Disadvantaged. The Space Coast TPO serves as the Designated Official Planning Agency (DOPA), which facilitates the evaluation of the CTC's performance in general and relative to the Commission's and local standards as referenced in rule 41-2.006, FAC. The evaluation must also be in compliance with the applicable provisions of Chapter 427, Rule 41-2 and 14-90.

The evaluation ensures the most cost-effective, efficient, and appropriate transportation services are provided to the entire transportation disadvantaged population of Brevard County. The evaluation documented the CTC's performance from July 1, 2022 through June 30, 2023.

The evaluation was conducted utilizing the Commission for the Transportation Disadvantaged CTC Evaluation Workbook. The workbook outlined the formal process for the CTC Evaluation.

To view the FY 2023 CTC Evaluation, please visit the SCTPO website at:

<https://www.spacecoasttpo.com/what-we-do/planning/transit-plans>

**REQUESTED ACTION**

Approve FY 2023 Community Transportation Coordinator (CTC) Evaluation.

**ATTACHMENTS**

- Summary of Recommendations, ***Attachment A***

## **FY 2023 CTC Evaluation Recommendations**

1. Space Coast Area Transit must ensure that there are eligibility applications and supporting documents for each client.
2. Space Coast Area Transit must ensure that each Coordination Contractor provide the data for the Annual Operating Report on a quarterly basis. This needs to be done starting with the new State Fiscal Year in July 2024.
3. Space Coast Area Transit should establish a goal in the next Transportation Disadvantaged Service Plan update to transfer a certain percentage of clients from the door-to-door service to the fixed route.
4. Space Coast Area Transit to provide a local toll-free number for complaints or grievances in all vehicles that are used to transport TD riders.
5. Space Coast Area Transit must provide a strategy to address the client hold time within the next 120 days.
6. Space Coast Area Transit needs to inform TD clients when their ride is running late.

**ACTION ITEMS**  
**ITEM NUMBER 5A**

**Approval RE: Transmittal of Draft FY 25 – FY 26 Unified Planning Work Program (UPWP)**

*For further information, please contact: [laura.carter@sctpo.com](mailto:laura.carter@sctpo.com)*

*Strategic Plan Emphasis Area: Leadership*

---

**DISCUSSION**

Every two years the TPO must develop and approve a Unified Planning Work Program (UPWP) that identifies the TPOs activities in which the TPO will engage in over the next two fiscal years. The draft is submitted to state and federal agencies, along with the public for review, and upon approval in June, becomes effective on July 1<sup>st</sup> and is the basis for the award of the TPO’s planning grant funding for the next two fiscal years.

Staff has developed a draft UPWP that defines the planning activities to be undertaken in fiscal years 2025 (July 1, 2024 to June 30, 2025) and 2026 (July 1, 2025 to June 30, 2026).

Staff will present a summary of the significant work tasks that are included in the draft UPWP along with the estimated funding allocations for the TPO grants. A full copy of the draft UPWP is available upon request will be posted on the TPO website by March 15, 2024.

Comments on the draft UPWP will be accepted until April 15, 2024 and should be sent to the TPO office at 2725 Judge Fran Jamieson Way, Bldg. B, MS 82, Viera, FL 32940 via USPS or can be e-mailed to [laura.carter@sctpo.com](mailto:laura.carter@sctpo.com).

The final FY 25-26 UPWP, that will include addressing all comments, will be brought back to the board for adoption in May.

**REQUESTED ACTION**

Authorize staff to transmit the draft FY 25 – FY 26 Unified Planning Work Program to reviewing agencies and post for public comment.

**ACTION ITEMS**  
**ITEM NUMBER 5B**

**Approval RE: Resolution 24-16, FY 24 – 28 Transportation Improvement  
Program Amendment**

*For further information, please contact: [georganna.gillette@sctpo.com](mailto:georganna.gillette@sctpo.com)  
Strategic Plan Emphasis Area: Linking Land Use with Transportation*

---

**DISCUSSION**

The Florida Department of Transportation requested an amendment to the adopted FY 24 – FY 28 Transportation Improvement Program to align with the Department’s Work Program.

A project must be included in the approved TIP and State Transportation Improvement Program (STIP) for the FHWA and the FTA to participate in the cost of any federally funded transportation project.

The TIP reflects the TPO’s priorities, consistent with port and aviation master plans, transit development plans and local government comprehensive plans, and are selected in part based on the public comment received under the TPO’s Public Participation process.

**REQUESTED ACTION**

Approve Resolution 24-16, amending the FY 24 – FY 28 Transportation Improvement Program.

**ATTACHMENTS**

- Resolution 24-16, TIP Amendment, ***Attachment A***

**RESOLUTION # 24-16**

**Transportation Improvement Program (TIP)**

**A RESOLUTION, adopting the Space Coast Transportation Planning Organization’s Fiscal Year 2023/24 to 2027/28 Transportation Improvement Program (TIP) for the Palm Bay-Melbourne and Titusville Urbanized Areas.**

*WHEREAS*, the Space Coast Transportation Planning Organization is the designated and constituted body responsible for the urban transportation planning and programming process for the Palm Bay-Melbourne and Titusville Urbanized Areas; and

*WHEREAS*, Florida Statutes 339.175; 23 U.S.C. 134; and 49 U.S.C. 5303 require that the urbanized area, as a condition to the receipt of federal capital or operating assistance, have a continuing, cooperative and comprehensive transportation planning process that results in plans and programs consistent with the comprehensively planned development of the urbanized areas; and

*WHEREAS*, the Transportation Improvement Program (TIP) is hereby endorsed as an accurate representation of the areas priorities as developed through the planning process carried on cooperatively by the state and local communities in accordance with the provisions of 23 U.S.C. 134.

*WHEREAS*, the BOARD’S registered Agent in Florida is Andrea Young, Space Coast TPO Chair. The registered Agent’s address is: 2725 Judge Fran Jamieson Way, Building B, Room 105, Melbourne, FL 32940; and

*NOW THEREFORE, BE IT RESOLVED* by the Space Coast Transportation Planning Organization approves the Transportation Improvement Program for Fiscal Year 24 to 28 and authorizes staff to submit all TIP amendments as identified in Attachment A, to all appropriate individuals and agencies.

<b>Project Number</b>	<b>Project Name</b>	<b>Fiscal Year</b>
452483-3	5310 Capital – Palm Bay Melbourne UZE – Brevard Alzheimer’s Foundation	2024
452484-2	5310 Dist CAP- Palm Bay Melbourne UZA – Space Coast Area Transit	2024

Passed and duly approved at a regular meeting of the Space Coast Transportation Planning Organization Governing Board on the 14<sup>th</sup> day of March 2024.

Certificate

The undersigned duly qualified as Chair of the Space Coast Transportation Planning Organization Governing Board certifies that the foregoing is a true and correct copy of a Resolution adopted at a legally convened meeting of the Space Coast Transportation Planning Organization Governing Board.

**RE: Request for Revisions to Fiscal Year (FY) 2023/24-2027/28 Transportation Improvement Program (TIP)**

Dear Ms. Gillette:

Florida Department of Transportation requests Space Coast TPO make revisions to the TIP for FY 2023/24-2027/28.

Projects #452483-3 and #452484-2 are transit projects provided through the 5310 program to local transit providers for capital purchases such as buses and other equipment. Both projects can be added to the TIP through the **modification** process. A formal amendment is not required.

Please use the information in the table below to revise the TIP accordingly:

FM#	Project Description	Project Limits	Length	Phase	Fund Source	Amount	FY
452483-3	5310 Capital – Palm Bay Melbourne UZE- Brevard Alzheimer’s Foundation	N/A	N/A	CAP	DPTO	\$ 660	2024
					DU	\$ 5,280

PRESENTATIONS  
ITEM NUMBER 6A

**Target Zero Presentation by Melissa Wandall**

For further information, please contact: [Georganna.Gillette@sctpo.com](mailto:Georganna.Gillette@sctpo.com)

Strategic Plan Emphasis Area: Safety

---

**DISCUSSION**

Melissa Wandall, President of National Coalition for Safer Roads and Advocate Consultant, will present on Target Zero, which is Florida's initiative to eliminate all traffic fatalities and severe injuries across the state's transportation system.

The efforts of FDOT Target Zero and the Space Coast TPOs and municipal governments Vision Zero are a powerful partnership. Melissa will talk about the way Target Zero will build on Vision Zero principles and how to get involved.

**REQUESTED ACTION**

As desired by the Space Coast TAC/CAC.

**ATTACHMENTS**

- A Powerful Partnership: Target Zero, Vision Zero and You, Presentation Slides, **Attachment A**
- 9 Components of a Strong Vision Zero Commitment Handout, **To Be Distributed**
- Target Zero Handout, **To Be Distributed**

# A Powerful Partnership:

Target Zero, Vision Zero, & YOU!

## What is Vision Zero?

**Vision Zero is a strategy to eliminate all traffic fatalities and severe injuries while increasing safe, healthy, equitable mobility for all.**

- Believes serious injuries and fatalities are preventable.
- Focuses attention on making roadways and surrounding environment as safe as possible.
- Includes built environment, policies, and technologies to mitigate serious consequences of mistakes made by road users.

## What is Target Zero?

Target Zero is Florida's initiative to eliminate all traffic fatalities and severe injuries across the state's transportation system.

- Believes serious injuries and fatalities are preventable in Florida.
- Tackles transportation issues unique to Florida by creating and employing a distinct approach to resolution.
- Coordinates statewide resources and outlines actions for all safety partners to enhance how our citizens connect, interact, plan, design, operate, and maintain Florida's transportation system.
- Builds on Vision Zero belief to influence dangerous driver behaviors **BEFORE** serious and fatal crashes occur in Florida.

A large graphic consisting of several concentric circles in white and dark blue on a dark blue background. The text is centered within the innermost circle.

How are  
Target Zero &  
Vision Zero  
Similar?

## Similarities

**Shared Goal of Zero**

**Policy & Infrastructure Change**

**Holistic Approach**

**Public Awareness, Education, Community Engagement**

**Data-Driven Strategies**

**Collaboration & Coordination**

# Target Zero builds on Vision Zero framework by taking traffic safety programs and campaigns a critical step further

## Target Zero's Current Targeted Behaviors

**Speeding**  
Precursor behavior is time management

**Distraction**  
Precursor behavior is need for constant connection and over commitment

**Aggression (Tailgating)**  
Precursor behavior is stress management

# How do I make an impact?

# My Mission & Our Legacy

Friday Night, October 24, 2003

**Mark Wandall Traffic Safety Act**  
**President, National Coalition for Safer Roads**

## Honor & Memorialize

### DrivingDownHeartache.org

- A peaceful space to remember, heal, and support one another while also encouraging personal accountability for all road users.

## Empower & Encourage

President, The Mark Wandall Foundation

Ambassador, Target Zero & Vision Zero

# How Advocacy Fuels Target Zero

- Humanizes Issues
- Supports Victims
- Creates Empathy
- Raises Awareness
- Motivates Action
- Builds Connections
- Supports Advocacy Efforts
- Inspires Change
- Fosters Dialogue
- Reduces Stigma

# Thank You!

### Brevard County Project Status Update As of February 29, 2024

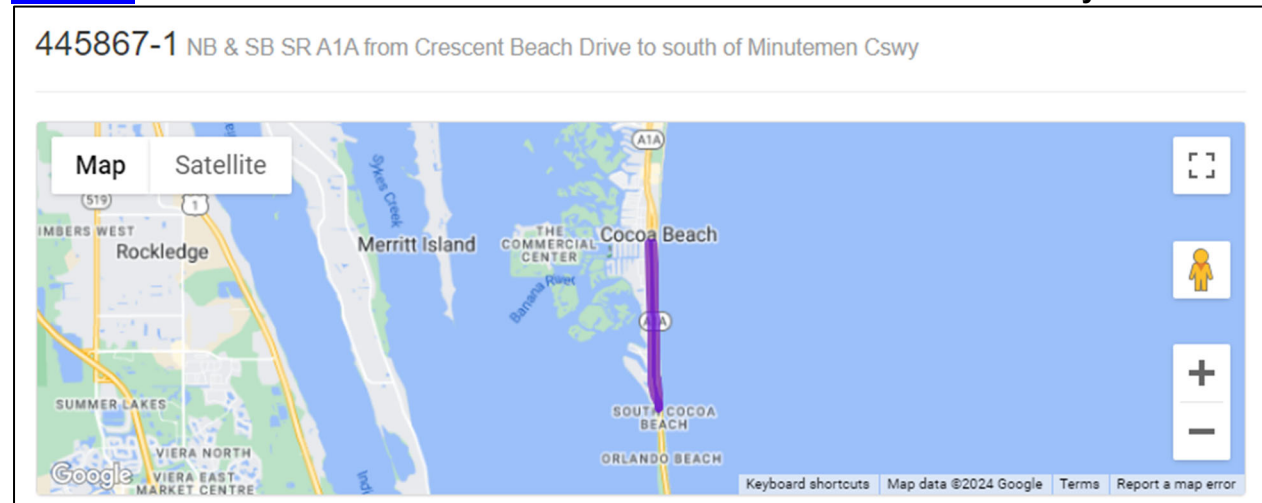

The following is a brief status update on major FDOT road construction projects in Brevard County as of the February cutoff. The next cutoff date is March 31, 2024. Information is also available on [www.cflroads.com](http://www.cflroads.com). For questions, please contact Jonathan Scarfe at 386-943-5791 or via email at [D5-MPOLiaisons@dot.state.fl.us](mailto:D5-MPOLiaisons@dot.state.fl.us).

#### BREVARD COUNTY

#### Upcoming Projects:

**448636-1**: S.R. A1A Safety Project

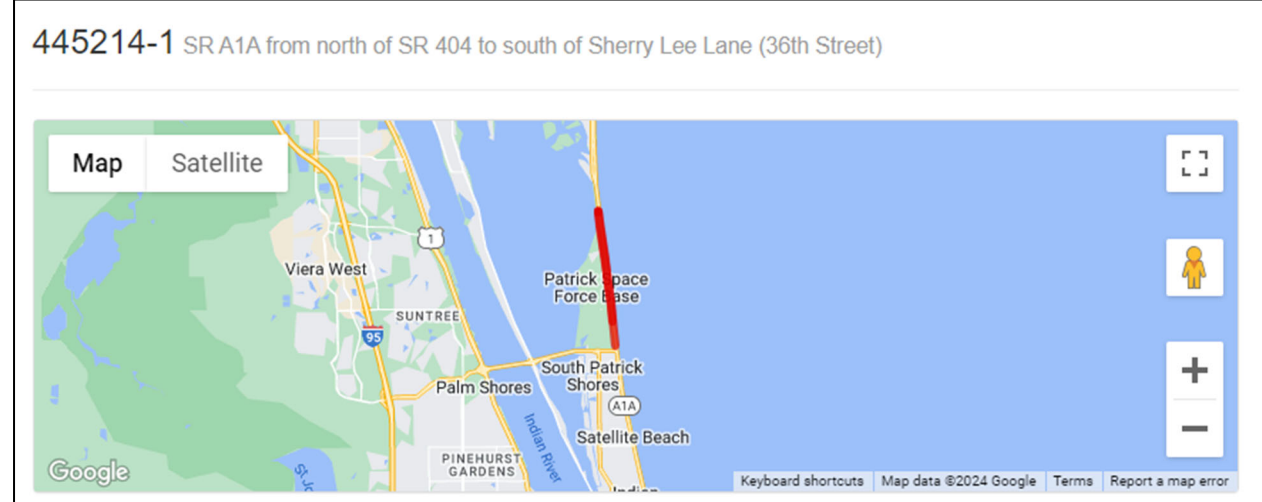

**445867-1**: S.R. A1A from Crescent Beach Dr to South of Minutemen Causeway

- Contract: T5759
- Contractor: Carr Construction, LLC
- Safety Project
- Project Cost: \$4 Million
- Estimated Start: Spring 2024
- Estimated Completion: Late 2024
- **Description:** The purpose of this project is to enhance pedestrian safety along State Road (S.R.) A1A from Crescent Beach Drive to south of Minutemen Causeway. In this area, S.R. A1A is split, with S.R. A1A northbound known as Atlantic Avenue and S.R. A1A southbound known as Orlando Avenue. The project proposes to construct 12 pedestrian crossings along S.R. A1A. Two of the crossings - on northbound and southbound S.R. A1A at South 1st Street -- will be equipped with Pedestrian Hybrid Beacons (PHBs).
- **Update:** The project team is still waiting on the revised project schedule and the revised project plans.

*Improve Safety, Enhance Mobility, Inspire Innovation*  
[www.fdot.gov](http://www.fdot.gov)

**445214-1: S.R. A1A from North of S.R. 404 to South of Sherry Lee Lane (36<sup>th</sup> Street)**

- Contract: E54B3
- Contractor: OHLA USA, Inc.
- Milling and Resurfacing
- Project Cost: \$4.9 Million
- Estimated Start: March 2024
- Estimated Completion: Late 2024
- **Description:** The purpose of this project is to enhance operations and safety along State Road (S.R.) A1A (Atlantic Avenue) beginning just north of Pineda Causeway (S.R. 404) to south of Sherry Lee Lane (36th Street), primarily adjacent to Patrick Space Force Base. The project will repave this nearly 4-mile segment of S.R. A1A to extend the life of the existing roadway. Proposed safety improvements include constructing a new grassed median within the existing center two-way left turn lane from near the entrance to Pineda Beach Park to north of School Avenue. Access to Pineda Beach Park will not be impacted and an improved left turn lane into the park from southbound S.R. A1A will increase safety for beachgoers.
- **Update:** A Pre-Construction Meeting for this project was held February 22, 2024.

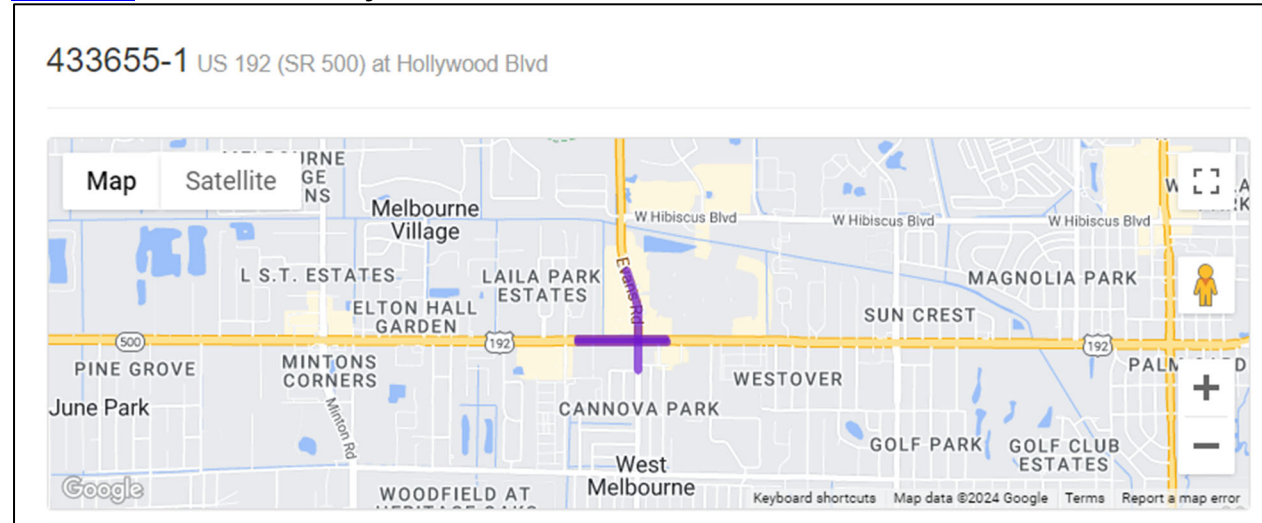

**443169-1: S.R. 405 from South of Bobbi Lane to North of Swan Lake Drive**

- Contract: E50F5
- Contractor: VA Paving, Inc.
- Milling and Resurfacing
- Project Cost: \$4.8 Million
- Estimated Start: Spring 2024
- Estimated Completion: Late 2024
- **Description:** The intent of this project is to resurface South Street (State Road 405) from south of Bobbi Lane to north of Swan Lake Drive to extend the life of the roadway. Pedestrian safety improvements include replacing the existing 6-foot-wide sidewalk with an 8-foot-wide path along the west side of South Street, which will extend the existing 8-foot-wide path from Fox Lake Road to North of Swan Lake Drive. A new 6-foot-wide sidewalk will also be constructed along the east side of South Street from Fox Lake Road to North of Joe Murell Drive.
- **Update:** A Pre-Construction Meeting for this project was held March 4, 2024.

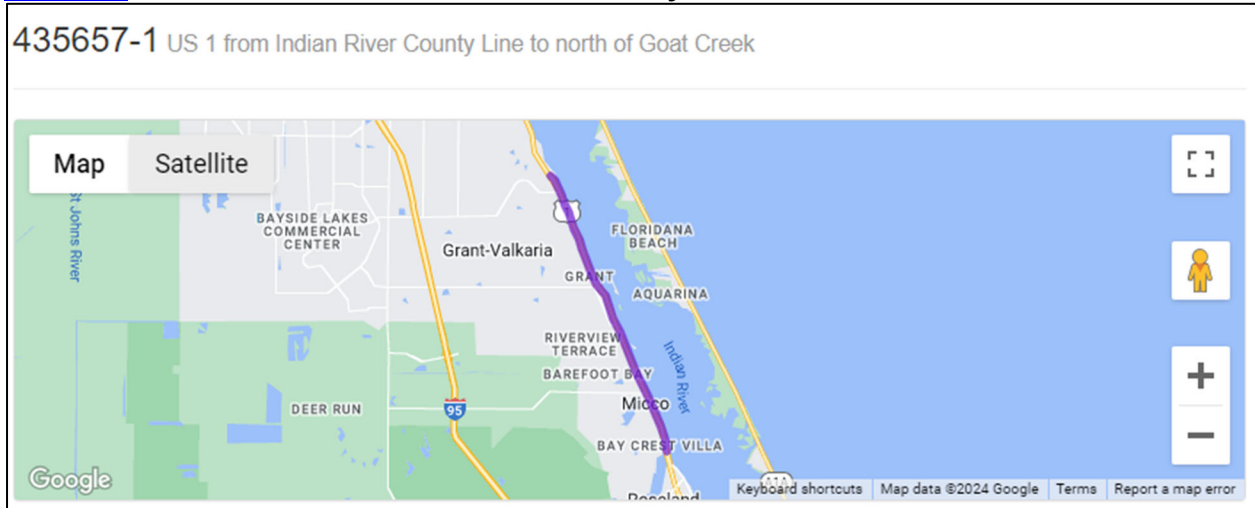

## Current Projects:

### [433655-1: S.R. 500 at Hollywood Boulevard](#)

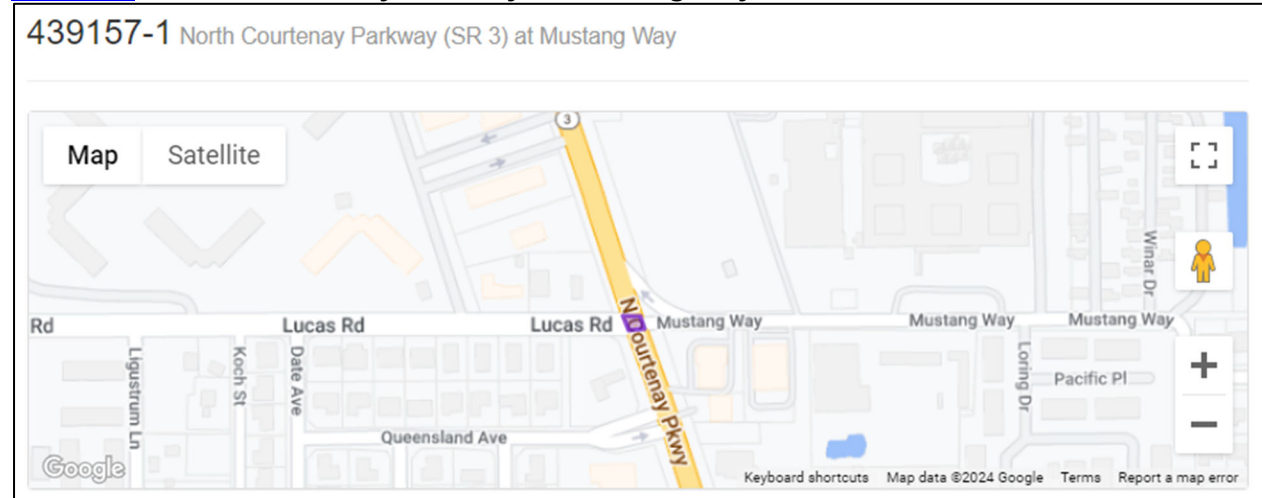

- Contract: T5791
- Contractor: Masci General Contractors, Inc.
- Intersection Improvements
- Project Cost: \$5.4 Million
- Project Start: January 2024
- Estimated Completion: Spring 2025
- **Description:** The U.S. 192 (State Road (S.R.) 500) at Hollywood Boulevard/Evans Road project consists of pavement widening to accommodate additional turn lanes along U.S. 192 and Hollywood Boulevard/Evans Road. Other improvements include milling and resurfacing, replacing existing mast arms, upgrading signing and pavement markings, upgrading pedestrian features to meet Americans with Disabilities Act (ADA) requirements, and drainage and Intelligent Transportation System (ITS) improvements.
- **Update:** The contractor is working on drainage, curbs, and they are grading, prepping, and pouring sidewalks.

## [435657-1](#): S.R. 5/ U.S. 1 from Indian River County Line to north of Goat Creek

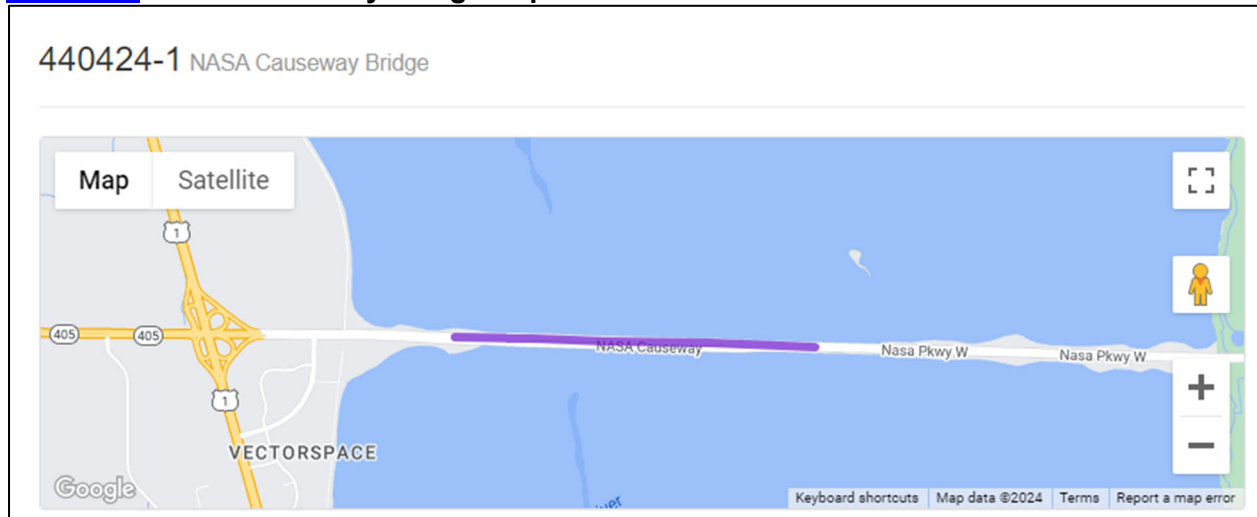

- Contract: T5729
- Contractor: Preferred Materials, Inc.
- Milling and Resurfacing
- Project Cost: \$10.6 Million
- Project Start: October 2022
- Estimated Completion: Early 2024
- **Description:** The purpose of the project is to provide safety and operational improvements along the corridor. The project will resurface U.S. 1 from the Indian River/Brevard County line to Goat Creek. Improvements at the intersection with Micco Road include replacing and upgrading the traffic signal, lighting upgrades, and adding a southbound left turn lane to make it safer for vehicles making U-turns at the intersection. At Barefoot Bay Boulevard, the project proposes to replace and upgrade the traffic signals and upgrade the lighting. Work will also include guardrail upgrades and necessary drainage enhancements. Pedestrian curb ramp reconstruction in compliance with current Americans with Disabilities Act (ADA) standards at signalized crosswalks, and construction of bicycle through lanes at the intersections are also planned.
- **Update:** This project underwent a final walkthrough on February 22, 2024.

## 439157-1: S.R. 3/ Courtenay Parkway at Mustang Way Intersection

- Contract: T5746
- Contractor: Carr Construction, LLC
- Milling and Resurfacing
- Project Cost: \$1.5 Million
- Project Start: April 2023
- Estimated Completion: Early 2024
- **Description:** This project will enhance safety for pedestrians and drivers by constructing improvements at the intersection of North Courtenay Parkway (State Road 3) and Lucas Road/Mustang Way in Merritt Island. Safety improvements include reconstructing and upgrading the traffic signals and installing new accessible pedestrian safety signals at all corners. The accessible signals provide verbal indications and have raised markings on the signal buttons to accommodate people with visual challenges. Pedestrian safety also will be improved by realigning all crosswalks, adding high-visibility pavement markings, and upgrading lighting. A raised concrete island with a pedestrian signal and crosswalk will be constructed beside the right turn lane from Mustang Way to North Courtenay Parkway. Other improvements include adding sidewalk along southbound North Courtenay Parkway south of the intersection, upgrading sidewalk curb ramps to comply with current Americans with Disabilities Act (ADA) standards, drainage improvements, and repaving the roadway within the project limits.
- **Update:** This project underwent a final walkthrough on February 21, 2024.

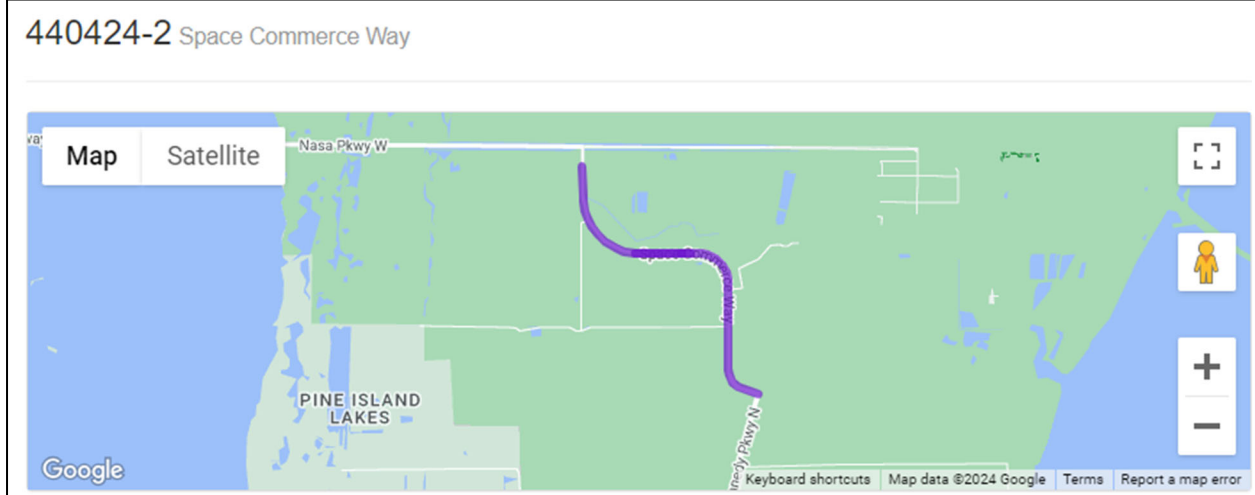

## [440424-1: NASA Causeway Bridge Replacement](#)

- Contract: T5735
- Contractor: Orion Marine Construction, Inc.
- Complete Bridge Replacement
- Project Cost: \$127 Million
- Project Start: December 2021
- Estimated Completion: Summer 2025
- **Description:** This project is replacing the NASA Causeway Bridge over the Indian River to support future growth and improve public and commercial mobility. The current NASA Causeway consists of twin bascule bridges constructed in 1964, which are being replaced with new twin high-level bridges that will provide improved movement for oversized vehicles to launch sites. The NASA Causeway Bridge is being reconstructed under a partnership between the FDOT, NASA, and Space Florida. The State of Florida secured a \$90 million Infrastructure For Rebuilding America (INFRA) Grant from USDOT. The grant will help to provide part of the funding needs for this bridge project as well as the widening of Space Commerce Way. With a taller and wider fixed bridge, spanning 4,025 feet over the Indian River Lagoon and rising 65 feet above the water, the new NASA Causeway Bridge will enhance the accessibility of this corridor, which includes Kennedy Space Center and the Cape Canaveral Spaceport.
- **Update:** Eastbound bridge completed in June. Westbound bridge construction is still underway. The contractor has completed concrete deck pours for 6/25 spans on the westbound bridge. 92/110 spans have been removed from the old bridge. The team is 26% ahead of schedule. Continuous coordination with NASA.

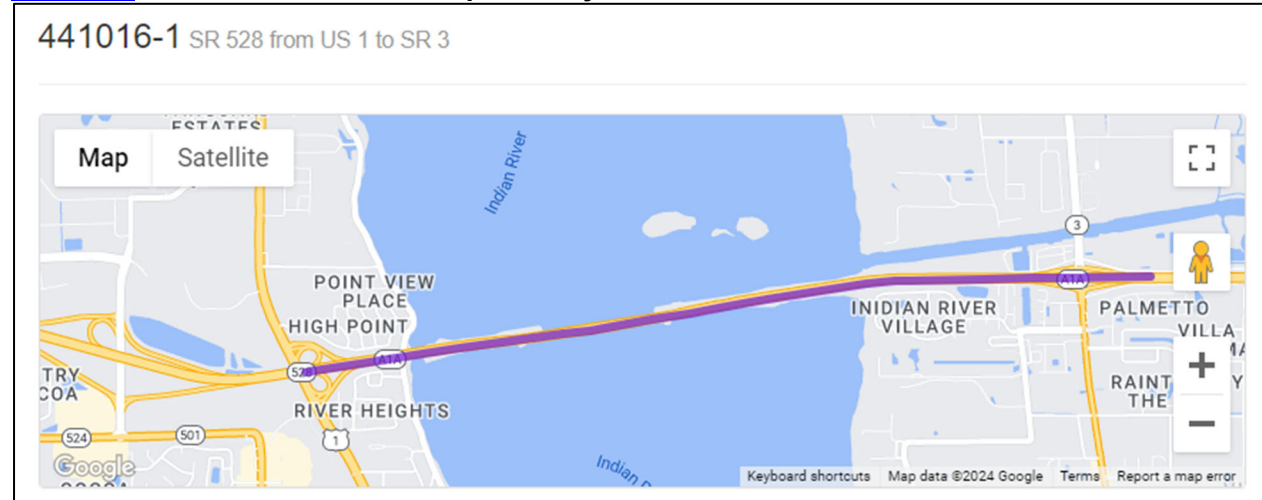

**440424-2: Galaxy Way at Kennedy Parkway and varied locations along Space Commerce Way**

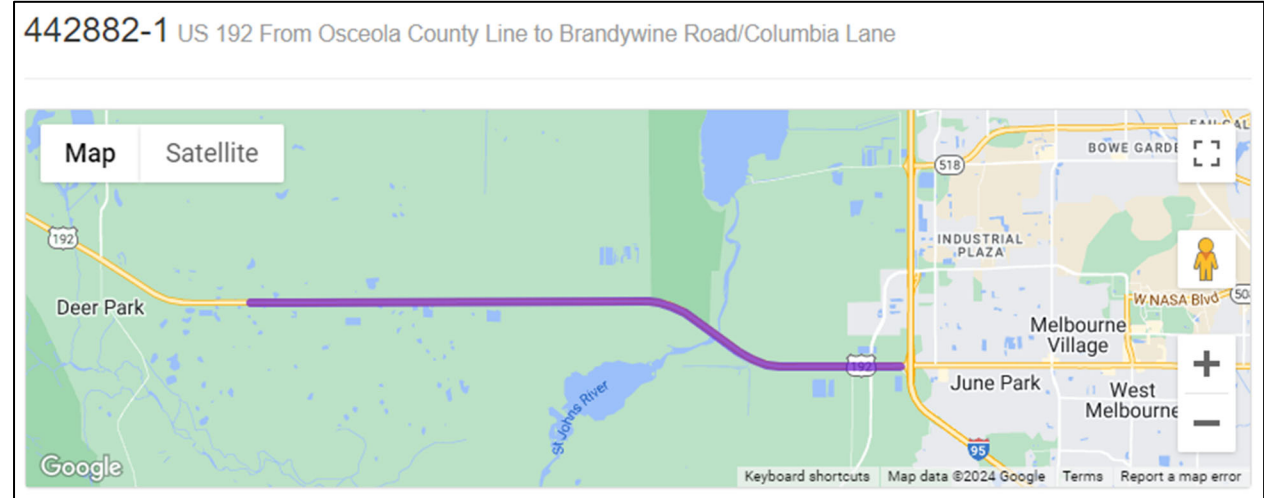

- Contract: T5777
- Contractor: Jr. Davis Construction Company, Inc.
- Widening
- Project Cost: \$22.9 Million
- Project Start: July 2023
- Estimated Completion: Summer 2025
- **Description:** The purpose of this project is to widen Space Commerce Way to four lanes for approximately 2.7 miles from NASA Parkway West to Kennedy Parkway. This will support future growth and economic vitality by allowing the transportation of oversized space industry vehicles to launch sites, as well as regular public and commercial traffic between the mainland near Titusville and North Merritt Island (and other barrier islands in that vicinity). It will provide access for daily visitors to the Kennedy Space Center Visitor Complex, as well as support the manufacturing and research workforce of Exploration Park.
- **Update:** The contractor is still placing an asphalt base throughout the project limits, and they have converted traffic to the new asphalt base. The contractor is 18% ahead of schedule. Continuous coordination with the space centers.

**441016-1: S.R. 528/ Beachline Expressway from U.S. 1 to east of S.R. 3**

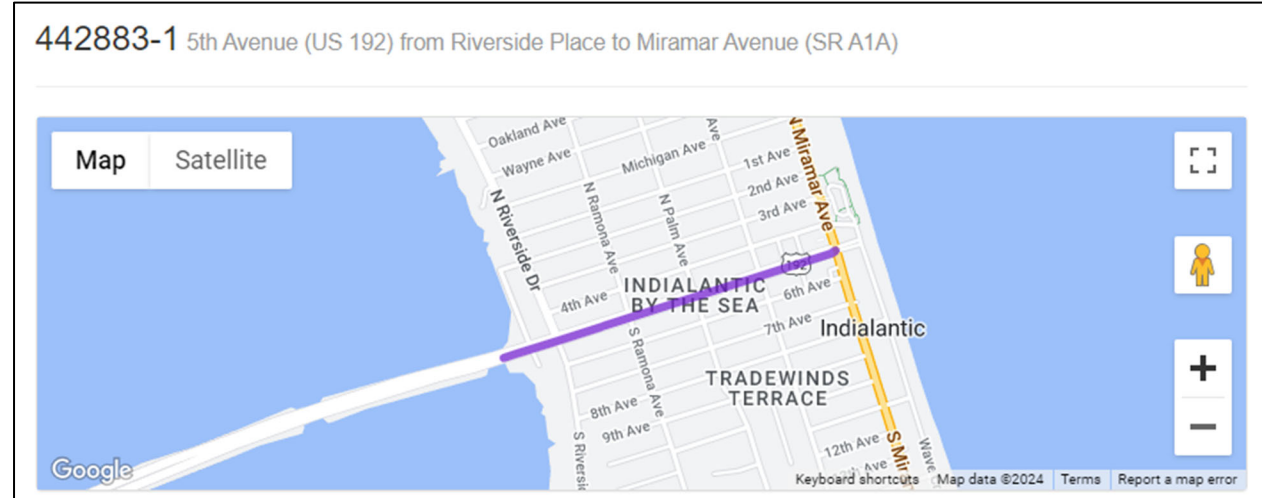

- Contract: T5767
- Contractor: Masci General Contractor, Inc.
- Milling and Resurfacing
- Project Cost: \$10.9 Million
- Project Start: June 2023
- Estimated Completion: Early 2025
- **Description:** This project will resurface State Road (S.R.) 528/S.R. A1A from U.S. 1 to S.R. 3. Concrete repairs, safety enhancements and deck sealing are included for the bridges over the Indian River and Banana River. The project also calls for installing median guardrail throughout the project, upgrading existing guardrail, closing unauthorized median crossovers, upgrading approved crossovers, and drainage improvements. The project will include ramps at the U.S. 1 and S.R. 3 interchanges and will require ramp closures and detours during construction.
- **Update:** The contractor is paving and striping, and installing sod and guardrails throughout the project limits.

**442882-1: S.R. 500/ U.S. 192 from Osceola County Line to Brandywine/ Columbia Lane**

- Contract: T5741
- Contractor: OHLA USA, Inc.
- Milling and Resurfacing
- Project Cost: \$10.2 Million
- Project Start: May 2022
- Estimated Completion: Spring 2024
- **Description:** The purpose of this project is to mill and resurface U.S. 192 from the Osceola County line to Brandywine Road/Columbia Lane. Other improvements include converting the full median opening located approximately 1,000 feet west of Brandywine Lane into a westbound left/U-turn only and performing minor drainage work along the project limits.
- **Update:** The contractor is finalizing electrical work for the wrong-way detection and is waiting for power.

**442883-1: S.R. 500/ U.S. 192 (5<sup>th</sup> Avenue) from Riverside Place to A1A**

- Contract: E58A3
- Contractor: Chinchor Electric, Inc.
- Milling and Resurfacing
- Project Cost: \$4.1 Million
- Project Start: February 2023
- Estimated Completion: Spring 2024
- **Description:** The purpose of this project is to extend the life of the existing roadway by repaving the segment of 5th Avenue (U.S. 192) from Riverside Place to Miramar Avenue (State Road (S.R.) A1A) and to enhance pedestrian safety along the corridor. The project proposes to upgrade mid-block crossings and add pedestrian-activated lights known as Rectangular Rapid Flashing Beacons (RRFBs) to enhance visibility of the crosswalks. A new pedestrian signal will also be added at Palm Avenue. Other improvements include reconstructing pedestrian curb ramps and driveways to comply with current ADA standards, modifying existing drainage, and upgrading pedestrian lighting.
- **Update:** The contractor received the revised project plans, and they are developing a new schedule for the revisions. They are currently grounding and performing electrical work in traffic control cabinets.

## [442885-1](#): S.R. 520/ W. King Street from Aurora Road to Hubert Humphrey Causeway

- Contract: T5773
- Contractor: P&S Paving, Inc.
- Milling and Resurfacing
- Project Cost: \$9.5 Million
- Project Start: May 2023
- Estimated Completion: Late 2024
- **Description:** The purpose of this project is to improve the roadway surface and enhance mobility and safety along State Road (S.R.) 520 from Aurora Street to the Hubert Humphrey Causeway in Cocoa. S.R. 520 splits east of U.S. 1, with eastbound traffic on King Street and westbound traffic on Willard Street. In addition to repaving the roadway, the project calls for widening bicycle lanes where possible and removing the auxiliary lane to accommodate a new 7-foot-wide parking lane on eastbound S.R. 520 east of U.S. 1, as well as improved right turn lanes. The free-flow eastbound right turn lane at the S.R. 520 intersection with U.S. 1 will also be brought under signal control. Pedestrian safety enhancements include reconstructing and extending curbs to shorten pedestrian crossing distance, improved crosswalks, and upgraded pedestrian signals. Sidewalk will be constructed to close gaps, and sidewalk curb ramps will be reconstructed to comply with current Americans with Disabilities Act (ADA) standards. The project will also upgrade existing traffic signals and modify existing medians and traffic separators. Other improvements include removing obsolete driveways and driveway reconstruction, and drainage adjustments.
- **Update:** The contractor is continuing to grade sidewalks, curbs, and gutters, and pour concrete for sidewalks and ramps.

[444992-1: US 1 from Miller Cove Road to Pineda Causeway](#)

[445215-1: US 1 from Post Road to Miller Cove Road](#)

444992-1 US 1 (SR 5) from Miller Cove Road to the Pineda Causeway

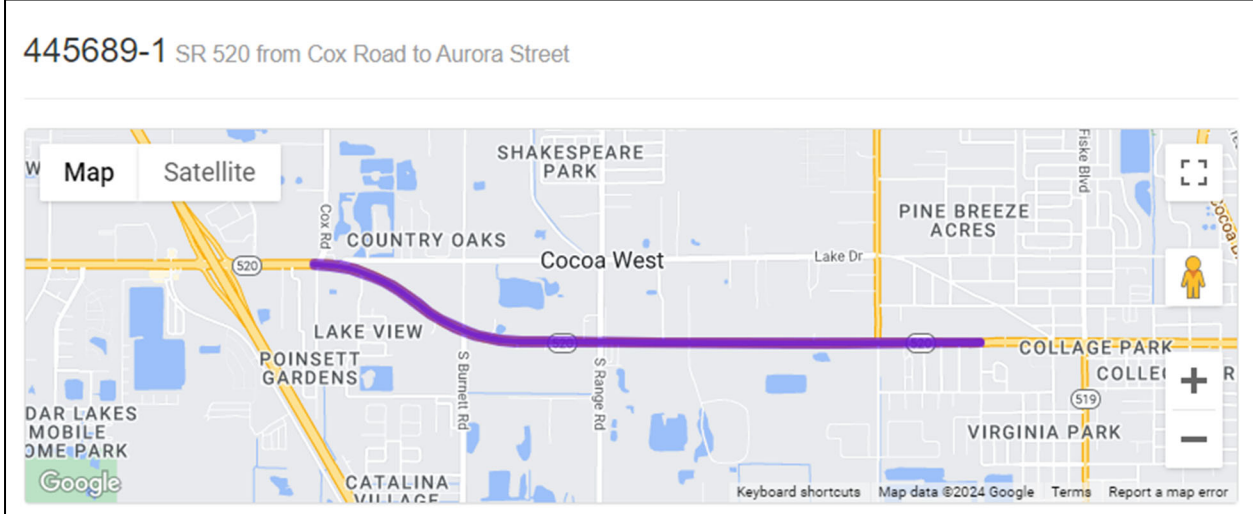

445215-1 US 1 (SR 5) from Post Road to Miller Cove Road

- Contract: E50B8
- Contractor: OHLA USA, Inc.
- Resurfacing/Drainage Work
- Project Cost: \$11.3 Million
- Project Start: December 2023
- Estimated Completion: Spring 2025
- **Description:** The purpose of this project is to resurface State Road (S.R.) 5/U.S. 1 from Miller Cove Road to the Pineda Causeway (S.R. 404) and to rehabilitate the existing drainage outfall to the Indian River on U.S. 1 at Madrid Drive, reconstructing the portions of the outfall that are beyond rehabilitation. The project will also repave the segment of U.S. 1 from Post Road to Pineda Causeway (State Road (S.R.) 404) in the Town of Palm Shores. Other improvements consist of interconnecting the traffic signals for approximately 1.8 miles south of the project between the signalized intersections of Lake Washington Road, Parkway Drive and Post Road. The interconnected signals allow the county to make coordinated updates in signal timing as needed to improve operation.
- **Update:** The contractor is continuing drainage work under project 444992-1 at the north end of the project. Sheet piles are being installed to support excavation for the drainage. The team is continuing their coordination with Castaway Marine because drainage structures run through their business. Milling and paving operations are ongoing.

## [445689-1](#): SR 520 from Cox Road to Aurora Street

- Contract: T5797
- Contractor: Masci General Contractor, Inc.
- Safety Project
- Project Cost: \$4.6 Million
- Estimated Start: February 2024
- Estimated Completion: Spring 2025
- **Description:** The purpose of this project is to enhance safety through access management improvements along State Road (S.R.) 520 (West King Street) from Cox Road to Aurora Street in Cocoa West. The project is based on recommendations in the Access Management Safety Study completed in June 2019. The goal of access management is to reduce the number and severity of crashes by reducing conflict points, or areas where vehicles can cross paths and potentially crash. The project calls for closing some median openings and constructing directional median openings at other locations. New left turn lanes will be added at several intersections, while others will be extended to provide more space for vehicles. The project will also repave turn lanes and upgrade existing traffic signals. Necessary drainage work and lighting upgrades are also planned.
- **Update:** The contractor is clearing and grubbing, and installing drainage structures throughout the project limits.

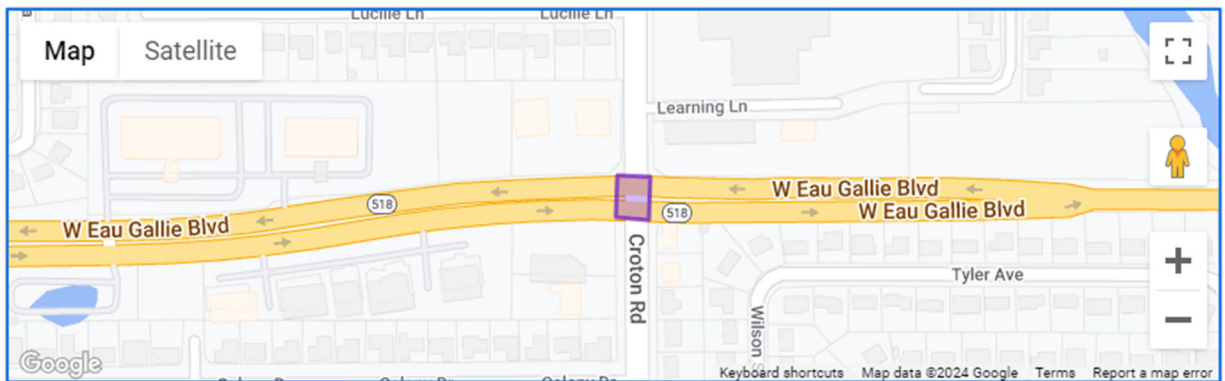

[445813-1](#): S.R. 518/ Eau Gallie Boulevard at Wickham Road

[445835-1](#): S.R. 518/ Eau Gallie Boulevard at Croton Road

445813-1 SR 518 (Eau Gallie Blvd) at Wickham Rd

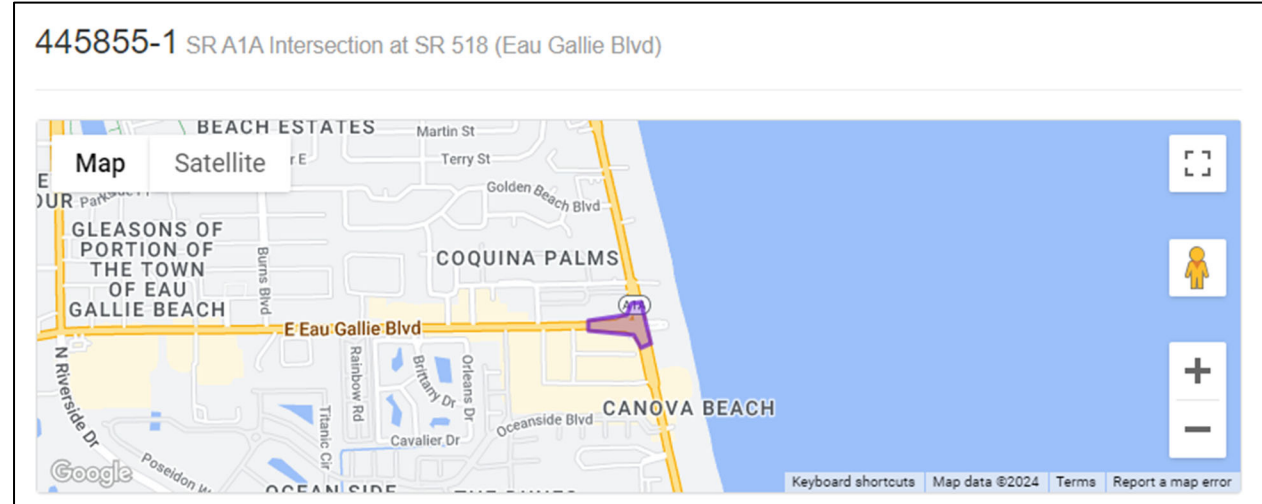

445835-1 SR 518 (Eau Gallie Blvd) at Croton Road

- Contract: T5764
- Contractor: Carr Construction, LLC
- Intersection Improvements
- Project Cost: \$5 Million
- Project Start: July 2023
- Estimated Completion: Summer 2024
- **Description:** This project will make safety improvements at the intersection of Eau Gallie Boulevard (State Road 518) and Wickham Road/Croton Road in Melbourne. The project will reconstruct the existing traffic signal at the intersection, upgrading to new signals and signal poles.
- **Update:** The contractor is beginning to install signal poles and they are continuing concrete work for the corners, ramps, and curbs.

**445855-1: SR A1A Intersection at SR 518 (Eau Gallie Boulevard)**

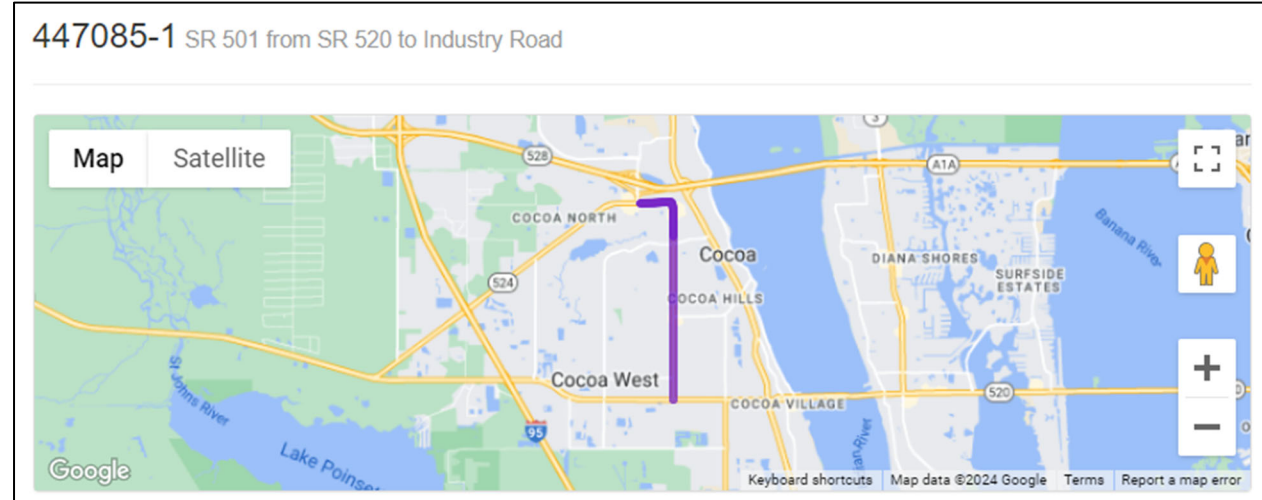

- Contract: T5800
- Contractor: Masci General Contractor, Inc.
- Safety Project
- Project Cost: \$3.7 Million
- Estimated Start: February 2024
- Estimated Completion: Spring 2025
- **Description:** This is a safety project at the intersection of State Road (S.R.) A1A and Eau Gallie Boulevard (S.R. 518) in Indian Harbour Beach. The proposed improvements will remove the existing free-flow right turn lanes and construct new right turn lanes that will be under signalized control. The project also will add a second westbound lane on S.R. 518, lengthen the left turn lane from eastbound S.R. 518 to northbound S.R. A1A, and create dual left turns from northbound S.R. A1A to Eau Gallie Boulevard. Improvements to enhance pedestrian safety include construction of a new midblock crossing just south of the intersection. Traffic signal upgrades are also planned.
- **Update:** The contractor has set up temporary striping and a temporary concrete barrier wall on the northbound outside lane on S.R. A1A to work on the sidewalk east of the project.

**445858-1: ITS NASA Boulevard from Wickham Road to S.R. 5**

- Contract: T5780
- Contractor: Chinchor Electric, Inc.
- ITS Improvements
- Project Cost: \$1.7 Million
- Project Start: July 2023
- Estimated Completion: Spring 2024
- **Description:** This is an Intelligent Transportation Systems installation project in Brevard County. This project will improve the safety, mobility, and efficiency at various intersections along NASA Boulevard. The project will require daytime single lane closures where the work is occurring.
- **Update:** This project underwent a final walkthrough on March 5, 2024. The estimated completion date changed from Summer 2024 to Spring 2024 due to the contractor being ahead of schedule.

## [447085-1](#): S.R. 501 from S.R. 520 to Industry Road

- Contract: E57B7
- Contractor: Masci General Contractor, Inc.
- Safety Project
- Project Cost: \$13.1 Million
- Project Start: September 2023
- Estimated Completion: Summer 2025
- **Description:** This project will provide safety improvements along Clearlake Road (State Road (S.R.) 501) from S.R. 520 (W. King Street) to Industry Road in Cocoa. The project plans to repave Clearlake Road from S.R. 520 to Michigan Avenue. The project also is evaluating various techniques to encourage slower driving speeds to make travel safer for drivers, pedestrians, and bicyclists. Pedestrian safety elements include realigned and improved crosswalks, upgraded pedestrian signals, and reconstructed sidewalk and pedestrian curb ramps to meet current Americans with Disabilities Act (ADA) standards. The project also plans to upgrade existing traffic signals and pedestrian lighting and make necessary drainage adjustments.
- **Update:** The contractor is still working on curbs, gutters, and sidewalks on both the southbound side and northbound side of the project. They are installing drill shafts and drainage structures throughout the project limits.

## [447092-1: NB U.S. 1 from Rocky Point Road to Malabar Road](#)

- Contract: T5805
- Contractor: VA Paving, Inc.
- Milling and Resurfacing
- Project Cost: \$3.2 Million
- Project Start: January 2024
- Estimated Completion: Late 2024
- **Description:** The intent of this project is to repave northbound U.S. 1 (Indian River Lagoon National Scenic Byway) from north of Rocky Point Road to Malabar Road (State Road 514) in Brevard County to extend the life of the roadway. The proposed improvements would mill and resurface the northbound travel lanes and shoulders within the project limits. This project also includes adding 6-foot-wide sidewalk on the west side of U.S. 1 beginning south of Orange Avenue.
- **Update:** The contractor is working on the sidewalk that starts just south of Orange Avenue on the west side on US 1.

**447099-1: S.R. 500 from Hibiscus Road to Osceola County Line**

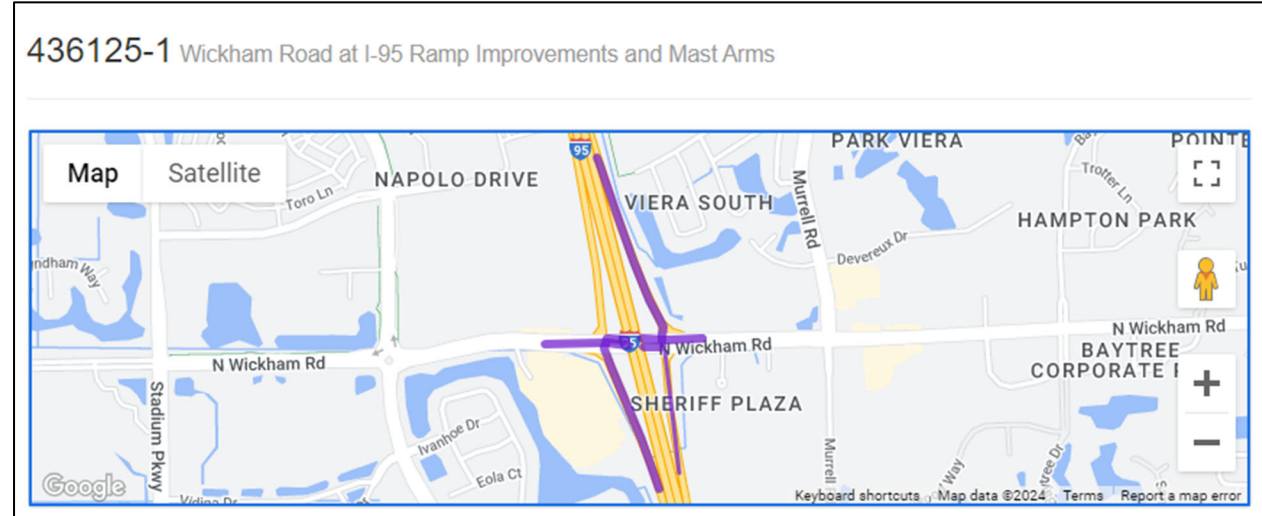

447099-1 SR 500 from Hibiscus Road to Brevard County Line

- Contract: E57B9
- Contractor: OHLA USA, Inc.
- Milling and Resurfacing
- Project Cost: \$8.5 Million
- Project Start: September 2023
- Estimated Completion: Summer 2024
- **Description:** The Florida Department of Transportation (FDOT) plans to repave U.S. 192 (State Road 500 / East Irló Bronson Memorial Highway) from Hibiscus Road to the Osceola/Brevard County line. The purpose of this 6.5-mile project is to extend the service life of the existing roadway and incorporate improvements that will enhance the safety of the corridor.
- **Update:** The contractor is placing sod and paving throughout the project limits.

## Recently Completed Projects:

### [436125-1: Wickham Rd at I-95 Ramp Improvements and Mast Arms](#)

- Contract: T5742
- Contractor: Masci General Contractor, Inc.
- Roadway and Interstate Ramp Widening and Resurfacing
- Project Cost: \$4.3 Million
- Project Start: November 2022
- Estimated Completion: Spring 2024
- **Description:** The purpose of this project is to provide dual left turn lanes onto Interstate 95 (I-95) in both the eastbound and westbound directions from Wickham Road. This project will also widen the northbound and southbound on-ramps to accommodate two lanes of turning and merging traffic. New mast arms will also be installed.
- **Update:** This project was final accepted on February 1, 2024.

*Strategic Plan Emphasis Area: Leadership*

---

**DISCUSSION**

Staff will report on Bicycle, Pedestrian, & Trails Advisory Committee (BPTAC) and related Space Coast TPO activities.

The BPTAC met on Monday, February 26, 2024 with the following major agenda items:

- Approval Re: Transmittal of SUN Trails Regional Trail Prioritization Letter of Support
- Strategic Visioning Workshop

The Southern Brevard Trails Master Plan has kicked off with their Working Group meeting on February 22, 2024 and the North Merritt Island Pioneer Trail Feasibility Study grant agreement and notice to proceed has been issued.

The next BPTAC meeting will be held April 29, 2024 at 5:30pm at the Viera Government Center.

**REQUESTED ACTION**

As desired by the Space Coast TAC/CAC.

**ATTACHMENTS**

- Draft February 26, 2024, BPTAC Meeting Minutes, **Attachment A**

## Bicycle, Pedestrian, and Trails Advisory Committee

Viera Government Center  
Florida Room, Bldg. C, 3<sup>rd</sup> Floor

Meeting Date: Monday, February 26, 2024  
5:30 P.M.

### MEETING MINUTES

#### Agenda

---

1. **Call to Order and Pledge of Allegiance**
2. **Public Comment (non-agenda items only)**
3. **Consent Agenda** (The entire Consent Agenda will be passed in one motion and read aloud for the record)
  - A. Approval RE: SCTPO BPTAC Meeting Minutes – December 4, 2023
4. **Action Items**
  - A. Approval RE: Work Order 24-10K: North Merritt Island Pioneer Trail Feasibility Study
  - B. Approval RE: Transmittal of SUN Trails Regional Trail Prioritization
5. **Workshop**
  - A. BPTAC Strategic Visioning Workshop
6. **Adjourn**

---

### ***BPTAC Committee Members Present:***

---

Tim Craven, *BoCC Planning & Development*  
 John Cooper, *City of Rockledge*  
 Todd Corwin, *City of Melbourne*  
 Nicholas Gow, *City of Titusville*  
 Murray Hann, *Trail Partners*  
 Carl Kaiserman, *Citizen of Melbourne*  
 Wesley Park, *Citizen of Cocoa*  
 Pete Petyk, *Citizen of Titusville*  
 Jim Scherff, *Space Coast Area Transit*  
 Craig Smith, *Town of Grant-Valkaria*  
 Devin Swanson, *BoCC Public Works*  
 Drew Thompson, *Citizen of Malabar*  
 Alan Woolwich, *BoCC Housing & Human Services*

### ***Others Present:***

---

Laura Carter, *Space Coast TPO Staff*  
 Sarah Davis, *BoCC Planning & Development Intern*  
 Debbie Flynn, *Space Coast TPO Staff*  
 Georganna Gillette, *Space Coast TPO Staff*  
 Sarah Kraum, *Space Coast TPO Staff*  
 Vince Lamb, *Citizen*  
 Zoe McNeely, *Space Coast TPO Staff*  
 Stephanie Moss, *FDOT*  
 Ginger Twigg, *Revolutions Cyclery*

### ***Item 1. Call to Order and Pledge of Allegiance***

---

Alan Woolwich, Vice-Chair, called the meeting to order at 5:30 p.m. All participated in the Pledge of Allegiance.

### ***Item 2. Public Comment***

---

Ginger Twigg commented about an email from one of her customers asking about where to ride off the roads near Norfolk Parkway and has requested suggestions on how to answer her customer.

### ***Consent Agenda***

---

#### **Item 3A. Approval SCTPO BPTAC Meeting Minutes – December 4, 2023**

Staff has prepared draft minutes for the Bicycle, Pedestrian, and Trails Advisory Committee (BPTAC) from their meeting conducted on December 4, 2023.

***Motion by Carl Kaiserman, seconded by Devin Swanson to approve BPTAC meeting minutes from December 4, 2024. Hearing no objections, the motion passed unanimously.***

### **Action Items**

#### **Item 4A. Approval RE: Work Order 24-10K: North Merritt Island Pioneer Trail Feasibility Study**

Sarah Kraum presented Work Order 24-10K: North Merritt Island Pioneer Trail Feasibility Study for approval. Kraum summarized the project including the SUN Trails funding, maintaining agency of Brevard County Parks & Recreation, and tasks included under the work order. Kraum stated the State Funded Grant Agreement has been executed, but minor changes could still be made to the scope of work.

Murray Hann asked about the length of the trail. Sarah Kraum will follow up with a measurement.

***Motion by Craig Smith, seconded by Murray Hann to approve Work Order 24-10K: North Merritt Island Pioneer Trail Feasibility Study. Hearing no objections, the motion passed unanimously.***

#### **Item 4B. Approval RE: Transmittal of SUN Trails Regional Trail Prioritization Letter of Support**

Sarah Kraum presented the details regarding the need to transmit a letter to the Florida Greenways and Trails Committee requesting the prioritization of the Coast to Coast Trail, St. Johns River to Sea Loop, and East Coast Greenway. She summarized the new legislation and submittal of new regional trails that has spurred the reranking of regional trails, as they relate to FDOT SUN Trail funding.

Pete Petyk commented that Southern Brevard is at a disadvantage with funding eligibility. Sarah Kraum replied that the SCTPO is trying to improve that with the Southern Brevard Trails Master Plan.

Drew Thompson asked if there is dialogue with Indian River County because of what they have worked on in the south and Grant-Valkaria's success in the past. Sarah Kraum replied that in 2020, a regional trail alignment was approved in partnership with Indian River County MPO. Indian River County will be engaged with the development of the Southern Brevard Trails Master Plan and the 2050 Long Range Transportation Plan.

Carl Kaiserman commented that it would be beneficial to have an alignment identified for the East Coast Greenway. Sarah Kraum replied that two alternatives were developed for the East Coast Greenway, but it needs the support of municipalities to carry the segments forward. Sarah Kraum mentioned that the East Coast Greenway BPTAC representative may be able to present and share ideas on how to be an advocate for East Coast Greenway.

***Motion by Murray Hann, seconded by Drew Thompson to approve the transmittal of SUN Trails Regional Trail Prioritization Letter of Support. Hearing no objections, the motion passed unanimously.***

### ***Item 5. Workshop***

---

#### **Item 5A. BPTAC Strategic Visioning Workshop**

SCTPO Staff led BPTAC members through a Strategic Visioning Workshop for the purpose of developing the vision, direction, and actions for the BPTAC.

Workshop consisted of three parts:

1. Icebreaker – What if you had a blank check for transportation funding? What would you spend it on?
2. Governing Board Strategic Plan Activity – How can the BPTAC help advance the goals and objectives of the Governing Board Strategic Plan?
3. Vision Statement Development – What is the BPTAC's vision?

Sarah Kraum discussed the next steps in relation to developing the BPTAC vision and strategic initiatives, as well as upcoming meeting activities in relation to the 2050 Long Range Transportation Plan.

### ***Item 6. Adjourn***

---

Hearing no further comment the meeting was adjourned by Alan Woolwich at 6:48 p.m.

**DISCUSSION**

Space Coast Area Transit will report on Transportation Disadvantaged Local Coordinating Board (TDLCB) and transit activities. The TDLCB met on February 12, 2024. Meeting highlights included:

- Approval of the Grievance Procedure
- The appointments of two new members to the Grievance Committee
- Approval of the Annual By-Laws; Policy PLC-8, TDLCB
- Approval of the FY 2023 Community Transportation Coordinator (CTC) Evaluation
- Transit Development Plan (TDP) Stakeholder Interview of the TDLCB

The next TDLCB Meeting is scheduled for Monday, May 13, 2024 at the Viera Government Center, Bldg. C, Space Coast Room, 10:30 a.m. to 12:00 p.m.

**REQUESTED ACTION**

As desired by the Space Coast TAC/CAC.

# SPACE COAST TRANSPORTATION PLANNING ORGANIZATION GLOSSARY OF TERMS

## Acronyms and Abbreviations

<u>Acronym</u>	<u>Full Name</u>
ADA	Americans with Disabilities Act
AMPO	Association of Metropolitan Planning Organizations
ATMS	Advanced Traffic Management System
BMBA	Brevard Mountain Bike Association
BOCC	Board of County Commissioners
BPTAC	Bicycle/Pedestrian and Trails Advisory Committee
CAC	Citizens Advisory Committee
CFMPO	Central Florida Metropolitan Planning Organization
CIGP	County Incentive Grant Program
CMS	Congestion Management System
CRA	Community Redevelopment Agency
CTST	Community Traffic Safety Team
ECFRPC	East Central Florida Regional Planning Council
ECRRT	East Central Florida Regional Rail Trail
EPA	Environmental Protection Agency
ETDM	Efficient Transportation Decision Making
FAST ACT	Fixing America's Surface Transportation Act
FDOT	Florida Department of Transportation
FEC	Florida East Coast Railroad
FHWA	Federal Highway Administration
FM	Financial Management
FS	Florida Statute
FTA	Federal Transit Administration
FY	Fiscal Year
GIS	Geographical Information System
GMSC	Growth Management Subcommittee
GPC	General Planning Consultant
G/W	Goes With
ITS	Intelligent Transportation System
LAP	Local Agency Program
LOGT	Local Option Gas Tax
L RTP	Long Range Transportation Plan
MAP-21	Moving Ahead for Progress in the 21 <sup>st</sup> Century
MPO	Metropolitan Planning Organization
MPOAC	Metropolitan Planning Organization Advisory Council
PD&E	Project Development & Environment
PPP	Public Participation Plan
SAFETEA-LU	Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users
SCAT	Space Coast Area Transit
SJHP	St. John's Heritage Parkway
SJRWMD	St. Johns River Water Management District
SR	State Road
SU	Surface Transportation Block Grant Program Urban
TAC	Technical Advisory Committee
TDP	Transit Development Plan
TDLCB	Transportation Disadvantaged Local Coordinating Board
TIP	Transportation Improvement Program
TPO	Transportation Planning Organization
TRIP	Transportation Regional Incentive Program
UPWP	Unified Planning Work Program

**MISSION:** To plan a transportation system that enhances quality of life and economic development by engaging the community.

**VISION:** Provide a safe, multimodal, innovative, and resilient transportation system for all.

**Leadership**

Represent and promote the Space Coast TPO

**Priority Actions:**

- Report TPO actions and policies to Councils/Boards
- Share TPO social media posts and news
- Pursue leadership development opportunities

**Performance Measure:**

Implement Governing Board Strategic Plan

**Safety**

Implement a safe transportation system for all users

**Priority Actions:**

- Support implementation of Vision Zero Action Plan
- Support innovative safety counter measures

**Performance Measure:**

Prioritize a Safe System Approach Pilot Project on a High Injury Network Corridor

**Linking Transportation & Land Use**

Plan a network that provides transportation choices

**Priority Actions:**

- Participate in 2050 Long Range Transportation Plan development
- Explore opportunities to connect transportation hubs

**Performance Measure:**

Adopt Plans, Projects, and Programs that Increase Transportation Choices

**Resiliency & Sustainability**

Plan for a resilient and sustainable transportation system

**Priority Actions:**

- Participate and share Resiliency Public Engagement campaign and activities
- Keep utility departments and stakeholders informed

**Performance Measure:**

Adoption of Transportation Resiliency Master Plan

**Technology & Data**

Implement technology to enhance reliability of the transportation system

**Priority Actions:**

- Continue funding support of TSMO
- Encourage municipalities to develop transportation technology and data sharing policies

**Performance Measure:**

Launch Data Dashboard
