RE: Request for Revisions to Fiscal Year (FY) 2023/24-2027/28 Transportation Improvement Program (TIP)

Dear Ms. Gillette:

Florida Department of Transportation requests Space Coast TPO revise the TIP for FY 2023/24-2027/28.

Projects #448793-1 and #448977-1 have both experienced cost increases which requires an amendment to the current TIP so that project details are accurately reflected. Although both projects are scheduled to begin the construction phases in state FY 25 and the FY 2024/25-2028/29 TIP contains updated information for the projects, this amendment is necessary so that federal funding authorization can be obtained prior to the start of the federal fiscal year beginning October 1, 2024. Both are resurfacing projects.

Please use the information in the table below to revise the TIP accordingly:
