Billy Hattaway
*Transportation Director
City of Orlando*

Billy Hattaway, P.E. is the Transportation Director for the City of Orlando. He has an MBA from Florida State University and a Bachelor's degree in Civil Engineering Technology from Wentworth Institute of Technology. He is the former champion for both the Florida Department of Transportation's Pedestrian and Bicycle Focused and Complete Streets Implementation Initiatives to improve pedestrian and bicyclist safety and comfort in the state of Florida. He has held a number of leadership roles in the private and public sector including FDOT District One Secretary, FDOT Director, Office of Design and State Roadway Design Engineer.

His professional experience includes transportation planning, street design, bridge design, safety and traffic analysis for a wide variety of transportation projects including redevelopment, transit-oriented development and master plan charrette projects to create walkable, bike and transit friendly communities.

TRAFFIC DEATHS END HERE

To put Brevard on the road to zero and to create the Action Plan, the SCTPO has assembled a task force representing a diverse group of individuals made up from different agencies and citizens throughout the county.
